## General Information about Tuition Payments and Income Eligibility

Cristo Rey Jesuit is committed to providing an affordable Catholic education to our students. All students earn approximately 50% of the cost of their education through the Cristo Rey Jesuit Corporate Work-Study Program. The school does require a contribution for tuition from each family. The amount of tuition for each student is determined on a sliding scale based on your family's annual income. For students in the Class of 2029 and for students transferring into our school during the 2025-2026 school year, the sliding scale for tuition will range from **\$450 per year (\$45 per month) to \$4,000 per year (\$400 per month)**.

All students admitted to Cristo Rey Jesuit must demonstrate financial need by meeting the income criteria of the Cristo Rey Network, the national organization which sets the standards for Cristo Rey schools. For admissions to the 2025-2026 school year, your family's annual household income generally may not exceed the amount shown below in the first column for your household size. Please contact the Admissions Office if you have questions about your family's financial status or your eligibility for admissions.

<b>Household Size</b>	<b><u>Maximum Annual Income</u></b>
2	\$50,500
3	\$63,350
4	\$76,200
5	\$89,050
6	\$101,900
7	\$114,750
8	\$127,600

All applicants are required to submit your 2023 federal income tax return with your student's application for admission. You may also be required to submit your 2024 Form W-2 to verify your most recent annual income, if requested. **If you do not file an income tax return or if you do not receive a Form W-2, please contact the finance office to discuss alternate forms of income documents that you may submit.**

If your child is accepted to Cristo Rey Jesuit, you will receive a separate letter from the finance office indicating the amount of your child's tuition for the year. Tuition will be paid in ten monthly payments from August 2025 through May 2026. Please note that the monthly tuition amounts **do not** include fees for athletics teams, lunch fees, or replacement of lost items such as textbooks, library books and PE uniforms.

We strive to ensure we work closely with our families. Should your family experience unexpected hardships which affect your ability to pay tuition, you are always welcome to contact the finance office for a confidential meeting to work out an adjusted payment plan.
