### ROCK THE STREET

Hi Students! We have an exciting program this year aimed at inspiring young women!

Rock The Street, Wall Street is a financial and investment literacy program designed to spark the interest of a diverse population of high school female identifying or non-binary students interested in careers in finance. The yearlong academic program is facilitated 100% by local female financial professionals and offers the following 4 components:

Financial & Investment Literacy Workshops, a "Wall Street Experience" Field Trip,

Mentoring, and a new Scholarship, Internship, and Job Board. Students learn about savings and investments through hands-on financial projects. They will also create resumes, build a LinkedIn profile, and apply business skills to real world situations. The goal is to create a society where women are financially literate, independent and equally represented in the field of finance. Want to learn more on how to join this program?
