# **PROFESSIONAL ADVANCEMENT TOWARDS CLINICAL HEALTH**

**Orientation Class  
October 03, 2024  
at 6:00 PM  
on ZOOM!**

SCOE PATCH Program provides students with opportunities to learn basic first steps working in allied health. Such as: customer service, patient care, introduction to infection control, introduction to HIPPA and Basic Life Support (CPR for healthcare professionals).

Students can earn a Professional Advancement Towards Clinical Health certificate of achievement with opportunity to earn an American Heart Association Basic Life Support certification. This program will lead to Phlebotomy, Pharmacy Technician, Dental Assisting and CNA.
