

Prerequisite: Cosmetology I

Recommended Grade Placement 12

3 CREDITS

Students review academic and practical knowledge related to cosmetology. This course is designed to provide advanced skill set training as well as employment preparation for a cosmetology career. Instruction includes advanced training in sterilization and sanitation processes, hair care, nail care, and skin care. This program meets the Texas Department of Licensing and Regulation requirements for licensure upon successful completion of the course sequence and passing the state examinations. Students apply, combine, and justify knowledge and skills to a variety of settings and problems. Because of scheduling constraints for students, those interested in completing this program are encouraged to earn at least one required graduation credits outside of the regular school day/year. **FEE WILL BE \$150.00 AND MUST BE PAID BY THE LAST DAY OF THE JUNIOR (11TH GRADE) SCHOOL YEAR. AN ADDITIONAL MANDATORY FEE OF \$183.00 IS REQUIRED BY END OF FIRST SEMESTER OF 12TH GRADE FOR TDLR STATE EXAM FEES AND LICENSE FEE.**

In order to complete the licensure exam for Cosmetology, students are required to take all four courses in the Cosmetology program of study.

Family and Community Services

Public Services Endorsement

The Family and Community Services program of study introduces students to knowledge and skills related to social services, including child and human development and consumer sciences. Students may learn about or practice managing social and community services or teaching family and consumer sciences. Students may follow career paths in social work or therapy for children, families, or school communities.

To complete the Program of Study, students must earn four credits in the Program of Study and one of the credits must be an Advanced Level course.

Courses in this Program of Study

PRINCIPLES OF HUMAN SERVICES

Course # 07083000

Recommended Grade Placement 8

1 CREDIT

This course is designed to give students hands-on application in the Programs of Study of Education & Training and Human Services. Topics include: Child Development, Human Growth, Counseling and Mental Health, and Family and Community Services.

CHILD DEVELOPMENT

Course # 07225210

Recommended Grade Placement 9-10

1 CREDIT

This course addresses knowledge and skills related to child growth and development from prenatal through school-age children, equipping students with child development skills. Students use these skills to promote the well-being and healthy development of children and investigate careers related to the care and education of children. Students are encouraged to participate in extended learning experiences such as career and technical student organizations and other leadership or extracurricular organizations.

COUNSELING AND MENTAL HEALTH

Course # 07226200

Recommended Grade Placement 10-11

1 CREDIT

This course offers knowledge and skills necessary to pursue a counseling and mental health career through simulated environments. Students are expected to apply knowledge of ethical and legal responsibilities, limitations, and the implications of their actions. Professional integrity in counseling and mental health care is dependent on acceptance of ethical and legal responsibilities.

FAMILY & COMMUNITY SERVICES

Course # 07223330

Recommended Grade Placement 11-12

1 CREDIT

This laboratory-based course is designed to involve students in realistic and meaningful community-based activities through direct service experiences. Students are provided opportunities to interact and provide services to individuals, families, and the

community through community or volunteer services. Emphasis is placed on developing and enhancing organizational and leadership skills and characteristics. This course is a perfect opportunity to gather experience in volunteer and service projects for college and career applications.

PRACTICUM IN HUMAN SERVICES

Course # 07223920

Prerequisite: Two courses in the Family and Community Service program of study

Recommended Grade Placement 11-12

2 CREDITS

Practicum in Human Services provides occupationally specific training and focuses on the development of consumer services, early childhood development and services, counseling and mental health services, and family and community services careers. Students are required to serve in paid or unpaid internship opportunities. Students must provide transportation to internship opportunities. A student may repeat this course once for credit provided that the student is experiencing different aspects of the industry and demonstrating proficiency in additional and more advanced knowledge and skills.

CAREER PREPARATION I

Course # 07228902

Recommended Grade Placement 11-12

2 CREDITS

Career Preparation I provides opportunities for students to participate in a work-based learning experience that combines classroom instruction with business and industry employment experiences. The goal is to prepare students with a variety of skills for a changing workplace. Career preparation is relevant and rigorous, supports student attainment of academic standards, and effectively prepares students for college and career success.

Recommended Sequence of Courses (Prerequisites noted in course descriptions)

To complete the Program of Study, students must earn four credits in the Program of Study and one of the credits must be an Advanced Level course.

Entry Level Courses	Advanced Courses
