Dear Fellow Alum:

As fellow legacy alumni of Berks Catholic High School and members of the Berks Catholic Board of Directors, we wanted to reach out to you regarding your upcoming Class Reunion. We work closely with Bob Birmingham, the Director of Institutional Advancement, and Betsy Woytovich, the Director of Alumni Relations, and wanted to offer you the following opportunities for your class reunion:

Class List. Betsy would be happy to print out the latest class list to help you reach your former classmates. Updating the alumni database is a constant work in progress so we only ask in return that you also share any new contact information for classmates that you discover during the planning of your reunion.

Mass in the chapel at Berks Catholic. Celebrating Mass together as a class and school was one of many mores that made our Catholic education so unique and special. Doing so in the Mary Queen of All Saints Chapel at Berks Catholic, with either Father Stephan Isaac, BC Chaplin, or perhaps a priest who was a teacher or administrator during your time at Holy Name or Central Catholic, can be a wonderful shared tradition prior to your class reunion. Remembering deceased members of your class with a candle ceremony during Mass would also be a beautiful tribute to classmates who have passed away.

Tour of Berks Catholic. Whether you walked down the marble staircase as a senior at Central Catholic or walked the halls of Holy Name, Catholic education has come a long way in Berks County, and a tour with your classmates is a fun way to see all of the new additions at Berks Catholic while reminiscing about the way things used to be. Come and see the state-of-the-art auditorium where the entire student body celebrates Mass twice a month and the Performing Arts Department holds two different shows each year, as well as the library; the updated art room; and of course the brand new John R. Post Learning Center, a 25,000 square foot addition that was completed in 2018 and contains six classrooms, the McGlinn Commons, a Career and College Suite, a STEM lab and an expanded cafeteria space.

GOD | FAMILY | ACADEMICS | FUN

Reunion in McGlinn Commons or at Shemanski Stadium. Whether you would like an indoor venue in our new space with plenty of seating and a view of Berks Catholic's new turf field and track, or an outdoor nostalgic venue at the stadium which once was home field to both Central Catholic and Holy Name football as well as, more recently, to Berks Catholic lacrosse and soccer, we would be happy to host your class reunion at one of our spaces.

Class News. Do you know someone in your class who would be interested in being a Class News Agent for our alumni department? This person would simply be a gatherer of facts and news about your classmates: new jobs, marriages, children, grandchildren and other exciting things they would like to share in the Trinity, Berks Catholic's alumni newsletter.

Class Gift. Lastly, please consider a class gift to Berks Catholic. Catholic education cannot exist without the support of our benefactors, and tuition alone does not fully fund the cost to educate each student. The future of Berks Catholic is dependent in part upon its legacy schools and their alumni. Our reunions are a great opportunity to come together and choose a project to fund at Berks Catholic. Please feel free to contact one of us listed below to discuss the many ways you and your classmates can make a significant impact for Berks Catholic as you honor the legacy of Catholic Education in Berks County.

Thank you for your consideration; enjoy your upcoming reunion; and please feel free to call one of us.

Sincerely,

Fred Ciabattoni
