A MESSAGE FROM MRS.MANIKA

We hope students have been coming home and telling you all the wonderful things they are learning at school. Students have been practicing schoolwide and classroom expectations, building relationships, and learning about their teacher, classmates, and staff at Oakwood. We are so excited to be able to work with your students!

NURSES NOTE

With the new year comes some old and some new things to keep your student and others safe at school. We continue to have the "24-hour Rule" for sicknesses. If your student has a fever or vomiting/diarrhea your student **MUST** be symptom and/or fever-free for 24-hours (without medication) before returning to school. This includes those student who are picked up early due to illness. The 24-hour clock starts from time of pick up. New this year, **ANY** medication you wish to be administered to your student at school **MUST** be signed by a physician, or it can't be given.
