All About Me!

August Family Project
Due_____

Dear Families-

This month's family project is creating a scrapbook page about your pre-K kiddo! I am sending home one sheet of white card stock in a page protector. Please work together as a family to fill the front and back of this sheet with pictures that will tell us a little bit more about your child. Make a plan as a family then let your child help you choose pictures and add stickers, cutouts etc. When your child brings the page back to school, I will let them share it with the class. This is an important part of the family project because it encourages communication, as well as teaches the children how to be part of an audience. Thank you for your help! I hope you have fun!
