Whitesboro Central School Board of Education

The Whitesboro Board of Education is committed to striving for higher student achievement in all of our academic and related program offerings. The Board has worked hard to allocate appropriate resources that will allow the school district to pursue the goal of having all students graduate career, college and life ready. Please review the information on this page and the following page to help you better understand the role and organizational structure of the Board of Education. It is the hope of each school board member that our students enjoy a positive learning environment throughout their school experience.

As the Whitesboro Board of Education, we welcome parents, students, staff members, community residents and other interested persons to our meetings. We appreciate your interest in and concern for our school system. The Board can better represent its constituents when members of the community take the time to observe the Board in action, express opinions and ask questions.

What is the Board of Education?

The Board is the official policy-making body of the school district. The Board is composed of seven members, elected by the public, who serve three-year terms of office. Board of Education members receive no paid compensation for their services.

What are the responsibilities of the Board?

- Establish District policies
- Identify District philosophy and direction
- Develop an annual budget for voter approval
- Act on the Superintendent's recommendations regarding personnel matters
- Review programs and instructional materials

No person or group of persons acts in the name of the Board. All motions require a majority vote before the Board can act. A Board member acts in an official capacity only during an official Board meeting. The Board employs a Superintendent of Schools as the Chief Executive Officer of the school district. The Superintendent of Schools is responsible for the day-to-day operations of the District and administration of Board policies, programs and plans for Board action.

How are Board Meetings conducted?

1. Call to Order
2. Quorum Check
3. Pledge of Allegiance
4. Public Comment
5. President's Report
6. Consent Agenda
7. Superintendent's Reports and Presentations
8. Old Business

NOTICE OF COMPLIANCE

The Whitesboro Central School District does not discriminate on the basis of gender, race, color, national origin, handicap or age in employment or in providing student access to educational programs, courses and activities. This policy is in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975. Any alleged grievances should be reported to the appropriate compliance officer. Compliance officers are as follows: Section 504/ADA Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, 315.266.3240; or Title IX Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, 315.266.3240.

Whitesboro Central School Board of Education

Mr. Brian McQueen
President

Mr. Steven Farr
Vice President

Mr. Michael Head

Dr. Jonathan Henderson

Mrs. Cheryl LaValley

Mr. Thomas Schoen Jr.

Dr. Steven Szatko

If I attend a Board meeting, must I stay until the end?

How long you stay is completely up to you. You may stay for as much time as you would like.

Can the public speak at Board meetings?

Normally, the Board will allow opportunities for the public to speak, both at the beginning (on agenda items only), and at the end on any item you wish to bring to the Board. You will be asked to state your name and address before speaking. Visitor comments will be limited to three minutes each. The President will curtail discussion on a topic to ensure that others have an opportunity to speak and that there is sufficient time to consider all agenda items. The Board of Education members will not engage in dialogue with the public during this time.

Comments relative to personnel or students are inappropriate to address in an open session and will not be allowed.

What is Executive Session?

Occasionally, it is necessary for the Board to conduct a discussion on a confidential matter which, under State Education guidelines, requires a “closed” or executive session. Such topics could include personnel matters involving a specific person, negotiation strategies, building rental or property acquisition. Although these discussions are not open to the public, any action on an executive session item must be taken in open public session. Executive sessions are usually held before or near the end of meetings. Only items which fall in the executive category can be discussed during such a session.

When and where does the Board of Education meet?

The Whitesboro Central School Board of Education meets at 7:00 p.m., unless noted otherwise. Meetings are held at the Administration Building at 65 Oriskany Boulevard in Whitesboro, or at one of the school buildings in the District. Please visit www.wboro.org/boemeeting for the complete meeting schedule.

Do you have a concern?

The Board encourages parents and community members who have a concern about their children’s education or other school-related problems to try to resolve them first at the level most directly involved; the classroom teacher or the building principal.

If your issue remains unresolved, you may contact the assistant superintendent or superintendent for their assistance.

Parent-Teacher Organization (PTO)

Parents and teachers share a common bond in the education and development of children, so it is only natural that the PTOs work toward the goal of making each child's school experience a happy and fruitful one. The communication evolving from a good parent-teacher relationship can promote knowledge, input and support for the school program. The unified efforts of home and school ensure a consistent, intelligent approach in helping children grow into well-rounded adults. To learn more information about the PTO organization, call your child's school.

Elementary Schools Information

Changes in Assigned Transportation

All children riding buses are assigned to ride a specific bus. If parents wish their children to walk to or from school, they may do so. Parents should send in permission slips. These notes should state the time that the permission covers. It may be a blanket permission for the year or it may be for more specific occasions. **From time to time, parents may need their child to ride a different bus from school. A written request for this change must be sent to school with the child. The Main Office will furnish instructions to the bus driver. This procedure applies to any change in a child's transportation assignment.**

Attendance and Excuses

In New York State, there are Excused and Unexcused reasons for absence.

Excused: An absence, tardiness or early departure may be excused if due to personal illness, or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinic, or other such reasons as may be approved by the Board of Education.

Unexcused: An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, haircut, attend non-school related sporting events, oversleeping). In case of illness or injury at school, parents will be notified to pick up and assume care of the child. **Parents should call the Nurse's Office the morning of the absence. A written excuse for an absence from school is required and should be brought to school the day the child returns to school.** The excuse should include: child's name, dates of absence, reasons for absence (if illness, type) and parental signature.

Attendance Letters

In accordance with our Attendance Policy and the Every Student Succeeds Act (ESSA), parents/guardians will be receiving an Attendance Letter every 5, 10, 15, 20 and 25 days that your child is absent or tardy. Excessive absences will be handled through our Social Worker's Office.

Disciplinary Procedures

Consistency is the essential requirement of any disciplinary policy. To maintain this consistency, we have developed procedures for discipline that are included in our Student-Parent Handbook.

Meetings in the Event of Delay/School Closing

Please note that if there is a one or two-hour school delay, and you have a previously scheduled meeting, the time and date will remain as scheduled unless you are contacted by our school administrators to reschedule. If our schools are closed for the day, the meeting will be rescheduled.

Physical Education

Sneakers are required for all physical education classes. Children in grades four and five must wear physical education uniforms for physical education class.

Recess

Students should not wear sandals or loose-fitting shoes on the playground. Students excused **by a doctor** from physical education for physical needs or lack of equipment are not allowed to participate in recess.

Health Care

The school nurse is on duty in the health office to care for students' health needs. During the year, each child receives screenings for vision, hearing and scoliosis per NYS regulations. Physicals are given by the school nurse practitioner to kindergarten, first, third, fifth grade and new students unless they receive one by their family physician. **The school nurse is not allowed to dispense medication of any kind without written direction from a physician.**

Food Service Program and Services

Well-balanced and nutritious meals are offered and served each full school day. For further information, please see pg. 28

Building Safety

This year we will continue to implement the following building safety procedures to ensure that your child is in a safe and secure learning environment.

1. **ALL** visitors **MUST** report to the main office.
2. Visitors will be asked to present an ID such as a driver's license for verification with the Raptor visitor management system.
3. **All visitors** must have permission from the principal, coordinating teacher or secretary to proceed to any other area.
4. Visitors and volunteers are expected to sign in at the office and wear a visitor's badge.
5. Visitors and volunteers must sign out and return the badge upon leaving.
6. The building principal must approve all volunteers. Volunteers must complete a volunteer application. Applications are available in the office.
7. All doors will be locked except the main door. All of the doors have crash bars and can be exited even if they are locked from the outside.
8. All students arriving or leaving the building with a parent must be signed in/out at the main office. School secretaries will call the student to the office.

Complete information about the Raptor visitor management system can be found at www.wboro.org/raptor.

A psychologist and social worker are available to meet with children and parents upon referral by the teacher, parent or principal. These mental health services are focused upon preserving the child's well-being and helping him or her adjust to the school surroundings. The psychologist and social worker work closely with parents and teachers. Referrals to these specialists should be viewed as a positive step in helping children.

Cell Phones/Smart Watches

Cell phones and smart watches are **not** to be used/worn by students during school hours. They are to be left in student book bags in the "off" mode, if brought to school.

Middle School Campus Information

After-School/Evening Student Activities

There are many after-school/evening student activities in which students may participate. An after-school/evening student activity is defined as any approved student activity scheduled outside of regular school hours in the Whitesboro Central School District.

For more information about after-school/evening student activities, contact the main office at each individual school.

Report Cards/Progress Reports

Parents should expect a report on their child's academic progress every five weeks.

Early Release for Medical Reasons

Students may be excused for part of the day by bringing a written request from a parent to the following offices:

Gr. 6: Main Office, Gr. 7/8: Attendance Office during homeroom period.

Social Work and Guidance Services

The school counselors and social workers of the Whitesboro Middle School Campus assist individual students in their academic and psychological growth. Meeting with individuals and groups, counselors address self-esteem, decision-making, goal setting, career planning and career information. Counselors also administer and interpret assessment tools such as achievement tests, ability tests, aptitude tests, statewide tests and interest inventories.

Another important goal of the counselors is to serve students by opening the lines of communication between students, teachers, parents and administration. Students and parents are encouraged to share their concerns to achieve a positive middle school experience. Team meetings, parent conferences and individual sessions are held to develop solutions to problems and a smooth passage through middle school.

Health Services

Physicals are given by the school nurse practitioner to seventh grade and new students unless they receive one by their family physician. Vision, hearing and scoliosis screenings will be done by the nurse per NYS regulations. It is necessary that two-way communication be maintained. Parents may help by keeping the school informed of:

- Reports of the family doctor
- Changes in the student's health status
- Telephone numbers of parents at work or at home

Reminder: The Tdap vaccination is required upon turning age 11. Seventh graders *must* have proof of Meningococcal vaccination.

Homework/Make-up Due to Illness

Homework assignments are one of many techniques used in teaching. Assignments are a means of covering, practicing and enriching the material covered in the classroom and many times are related to a specific concept. Therefore, the following procedures serve the student best:

- Google Classrooms – All Middle School Campus faculty maintain an electronic Google Classroom where information about daily classwork and homework assignments can be found.
- **Parents should email the Main Office at pkattendance@wboro.org (grade 6) or the Middle School Attendance Office at msattendance@wboro.org (grades 7 & 8) if your child will be absent for an extended period of time. Upon return to school, students should still meet with their teachers to discuss what took place in class.**

Lost & Found

All "lost" items should be taken to the cafeteria (grade 6) or cafeteria (grades 7 & 8). Jackets and other personal property should be marked with the student's name.

Meetings in the Event of Delay/School Closing

Please note that if there is a one or two-hour school delay, and you have a previously scheduled meeting, the time and date will remain as scheduled unless you are contacted by our school administrators to reschedule. If our schools are closed for the day, the meeting will be rescheduled.

Parent-Teacher Organization (PTO)

There will be a membership drive kick-off to start the year. PTO monthly meetings will be the first Monday of every month, unless otherwise noted on the calendar, beginning in October, and will be held in the Parkway library.

Physical Education

All students registered in schools in New York State are required by the Education Law to attend courses of instruction in physical education. A student with physical limitations will participate in as much of the program as he/she is able. Physical education classes meet two or three times a week.

Medical excuses for physical education for more than two days require a doctor's written statement that must contain the following:

1. A recommendation that the student be excused from physical education classes, or that participation be limited.
2. A statement of the period of time for which the student needs to be excused, or placed on limited activity status.

PROCEDURES FOR DETERMINING ACADEMIC ELIGIBILITY- MIDDLE SCHOOL

- I. These guidelines apply to all Middle School extracurricular and athletic activities in which students participate.
- II. It is the responsibility of teachers to provide an evaluation of students commencing with the third full week of the first semester for courses commencing that semester, and the third full week of the second semester for courses commencing that semester. Subsequently, every two weeks, a formal report will be completed by all administration for any/all students who are failing during the bi-weekly report period. Reports will be created on Thursday, (second week of report period.) The principal or designee(s) will tabulate the information and be responsible for notifying the respective teacher/coach(es).
 - A. A student failing two or more courses will become ineligible for one week (Monday through Sunday) following the submission of the bi-weekly report. While ineligible, the student must practice and attend events, but may not participate in activities or games.
 1. During the period of ineligibility, the student must meet with his/her teacher(s) to discuss those areas in which he/she needs to improve. Each teacher shall inform the respective student(s) of the area(s) in need of improvement and direct him/her in a manner to address the deficiencies in those area(s) identified.
 2. Prior to reporting to practice during the period of ineligibility, students must attend extra help sessions to be scheduled by the teacher(s).
 3. On the Friday of the week of ineligibility, administration will run an updated grade report for that week only. If he/she is no longer failing two or more courses, he/she shall be reinstated in the respective activity. If still failing at least two courses for that week, the ineligibility shall continue for another week.
 - B. The parent/guardian shall be notified in writing (form letter) by the school that the student is ineligible, and the period of such ineligibility. The parent/guardian shall also be notified in writing (form letter) when the student becomes eligible.
- III. Students who have been classified by the Committee on Special Education and who are failing two or more courses, shall be subject to review by the building administrator.
- IV. **APPEAL PROCESS:** There shall be an appeal process which, if exercised, shall commence with the student discussing/clarifying the failures with his/her teacher(s). If after such discussion, the failure(s) continue to be in dispute, a student and his/her parent/guardian, may request a meeting with the athletic director/principal or designee and if necessary, the respective teacher. If the dispute continues at the conclusion of this stage, the parent/guardian may appeal the decision to the Superintendent or his/her designee.
- V. It shall be the responsibility of the middle school to provide a copy of these guidelines to all students wishing to participate in any school activity. It shall be the responsibility of the respective parent/guardian and the student to review these regulations, and sign a statement indicating that they have been received and reviewed. Student's participation in the school activity will be subject to these regulations as stated.

Middle School Organizations, Activities and Clubs

Whitesboro Middle School has many activities for students. Students are encouraged to become involved in the clubs/activities of their choice.

National Junior Honor Society

The purpose of this national organization is to create enthusiasm for **scholarship**, to stimulate a desire to render **service**, to promote **leadership**, to develop **character** and to encourage **citizenship**. Students must have a cumulative average of 93.0 or above to be eligible. This is obtained by averaging their grades from the last two marking quarters of sixth grade and all four marking quarters of seventh grade. Students are notified about their eligibility in September of eighth grade. They will then be requested to complete a form obtaining signatures that verify their school and community service, school activities and out of school activities. In addition, a six-member Faculty Council will evaluate the students' attributes of citizenship and character. It is not permissible to accept students only on merit of academic achievement. According to the National Junior Honor Society handbook, "Membership in the National Junior Honor Society is both an honor and a responsibility. **No student has a right to belong to the National Junior Honor Society - it is an honor that he/she must earn and is bestowed by the faculty.**" The annual induction ceremony takes place in October.

Student Council

The Student Council was created for the entire Middle School student body. The group represents students and their views on all school issues. Its purpose is to develop attitudes and practices of good citizenship, the promotion of harmonious relationships in school and improvement of school morale. Additionally, the council provides a place for student expression and for orderly direction of school activities.

Yearbook

The Middle School Yearbook is published in June. Seventh and eighth grade students are welcome to join the yearbook staff, but must attend a minimum of once-a-week meetings.

Attendance

Good attendance is essential for success in school. To gain proper credit for daily attendance, students should follow the procedures below:

- All students who attend the High School must be in first period class by 7:30 a.m. Students who are in the building, yet arrive to first period class after the 7:30 a.m. bell tone will be admitted to class, but marked as tardy on the school attendance software and will be subject to discipline as appropriate.
- Students who enter the building after 7:30 a.m. are to report to the Attendance Office to receive a pass to class.

High School Information

(Attendance Policy continued from previous page)

- Leaving school grounds is only permitted after permission has been granted by the Nurse, Attendance Office or appropriate Assistant Principal. The Attendance Office will grant permission after the student has delivered a signed note from a parent or guardian. Before leaving school grounds, all students must sign out at the Attendance Office. Students will only be allowed to leave the building with contacts and emergency contacts listed on school records.
- When students are absent, parents or guardians should call the school before 7:30 a.m. at 315.266.3233. An answering machine is available for messages 24 hours a day.
- Absence Notes – Students who have been absent from school are required by law, to bring a note from parents on the first day of their return to school. Notes are to be turned in to the students' first period teachers and must indicate: date(s) on which the students were absent and specific reasons for absence.

School/Classroom Expectations

There is a positive correlation between regular attendance at school and academic success. Our school has an obligation to expect regular attendance and punctuality from our students in school and class. Students have a responsibility to come to school regularly and to be on time to school and to all their classes. Parents have a responsibility to see that their children meet these requirements.

Each student will receive a copy of the Student/Parent Handbook that clarifies attendance expectations for students.

Disciplinary Measures

Consistent with the Code of Conduct, the two assistant principals take disciplinary actions necessary to maintain a pleasant atmosphere that is conducive to learning. Problems which hinder the learning process or endanger the common good will be given prompt attention. Any violations of school regulations, or the District's Code of Conduct, will be acted upon appropriately by assistant principals and/or the principal of the school.

The Assistant Principal for Student Activities is in charge of discipline for grades 11 and 12, and all attendance matters. The Assistant Principal for Curriculum and Instruction handles discipline for grades 9 and 10.

Counseling

Counseling services are available for every student in the school. These services include assistance with educational planning, interpretation of test scores, occupational information and/or social concerns or any questions students feel they would like to discuss with their counselors. Students wishing to visit a counselor, should contact the secretary in the Counseling, College and Career Center to arrange for an appointment at 315.266.3240.

Health Service

The Education Law of New York State requires that each new entrant to the District and all students entering grades 9 and 11 receive a physical examination by their family physician or by the school nurse practitioner. The family physician needs to fill out a form available in the Health Office.

If a student has a physical completed by a family doctor, submit the physician's report to the nurse at the beginning of the semester. The law also requires students to be fully immunized and that certification from their own physician be presented upon entry to school.

Library Media Center

The Library Media Center is open for all students from 7:25 a.m.-3:00 p.m. Monday-Thursday, and 7:25 a.m.-2:20 p.m. on Friday.

Meetings in the Event of Delay/School Closing

Please note that if there is a one or two-hour school delay, and you have a previously scheduled meeting, the time and date will remain as scheduled unless you are contacted by our school administrators to reschedule. If our schools are closed for the day, the meeting will be rescheduled.

Student Motor Vehicles

Parking space for students at Whitesboro High School is for seniors and juniors only, and is determined by lottery. Seniors have priority for parking privileges. Student permission to park on school grounds is a privilege and is granted only by the school administration. Each student requesting permission to drive an automobile to school will be required to have a parent/guardian sign a statement authorizing the student to drive and to use a specific automobile.

The following procedures pertain to parking on school grounds:

- All vehicles must be registered in the Student Activities Office. Unregistered vehicles are subject to removal from school property at the owner's expense.
- Parking for student vehicles is designated by white lines. This parking area is located in the three parking lots adjacent to the north entrance and the west part of the north parking lot. All other staff parking areas are designated by yellow lines, including the north parking lot. Students are to use the north entrance only.
- Parking lots and student cars are off limits during school hours.
- Permission must be obtained through administration before a student vehicle can be removed from school grounds during school hours.
- Non-registered motor vehicles such as ATV's, snowmobiles and dirt bikes are not allowed on school grounds.
- It is important that students read the rules and regulations concerning motor vehicle use that is made available at the time of registration. Unsafe driving, improper parking or other disciplinary infractions will result in loss of parking privileges.
- Students will only be allowed to drive to and from BOCES courses if they have a documented need and permission from BOCES, their parents and the Assistant Principal for Student Activities.
- Students are not permitted to transport other students off campus during the school day.

CLUBS AND ACTIVITIES

The Alliance

This club is open to ALL students who are interested in raising awareness for the equal rights and lifestyle of all students. Their main objective is to bring students together to advocate for a safe and accepting school community. [Contact: Mrs. Burkdorf at rburkdorf@wboro.org](mailto:rburkdorf@wboro.org)

Art Club

The Art Club sponsors many activities including air brushing, the annual trip to New York City, and working with computers in the art room. The club allows students to spend time with friends and express their creativity. [Contact: Ms. Davis at cdavis@wboro.org](mailto:cdavis@wboro.org)

'Boro Buddies

The purpose of this organization is to promote and celebrate diversity among the students and staff at Whitesboro High School. It is aimed toward students who want to make a difference and it equips them to do so. Activities will be geared toward bringing together our diverse student groups to build a greater trust and understanding of each other. Whitesboro High School has only just begun the bridgework that will teach students to accept different people. However, a person cannot cross the bridge until it is built, and that requires everyone's help. Acceptance is a choice. Are you big enough to go out of your way to say "hello"? Are you strong enough to talk to someone whom others might consider to be "lower" than you? Are you willing to take that step, to build that bridge that will make a difference in someone's life? [Contact: Mrs. Gurdo at sgurdo@wboro.org](mailto:sgurdo@wboro.org)

Chess Club

The goal of Chess Club is to give students an opportunity to learn more about chess and compete with their peers. Students will have an opportunity to learn/play chess, and also look at partially completed games to gain an understanding of chess strategy. There will also be a tournament between club members at the end of the school year. Students of all levels are encouraged to join. [Contact: Mr. Costanza at scostanza@wboro.org](mailto:scostanza@wboro.org)

Computer Science Club

Students in the Computer Science Club will explore a wide variety of topics related to computer science. Some of the topics covered will include programming fundamentals, video game and mobile app development, robotics, fundamentals of networking, ethical hacking and cyber security. There will also be time for students in the club to explore personal interests throughout the year. [Contact: Mr. Eramo at meramo@wboro.org](mailto:meramo@wboro.org)

Fitness Club

This club is for all students interested in exploring various fitness genres and fitness participation opportunities in school and in the community. Genres include CrossFit, HIIT, yoga, agility training, pilates, dance, endurance, strength and flexibility practice and even intramural games. This club focuses on body positivity and acceptance. This club is designed to help students develop skills to live peacefully and healthily in their own bodies, as well as promote to our student body. [Contact: Mrs. Warner at swarner@wboro.org](mailto:swarner@wboro.org)

Future Fire Fighter Club

This club is open to ALL students who are interested in learning more about service to their communities through the fire service. Training and educational events designed specifically for high school students interested in the fire service will be designed to illustrate the meaning of teamwork and strengthen youths' fire service skills and knowledge in a fun, engaging way. It is a goal of this club/group to provide a knowledge and skill set for these young people which they will be able to bring to their community organizations. [Contact: Mr. Powers at kpowers@wboro.org](mailto:kpowers@wboro.org)

Girls' Athletic Association

Girls' Athletic Association is for girls in grades 9-12, who play varsity or JV sports. During the year, members conduct fundraisers, donate money to a needy family, host the annual G.A.A. Faculty Bowling Match and the annual end of the year picnic. At team banquets, block W's, pins and certificates are given to recognize the number of years of participation of student athletes. [Contact: Mrs. Warner at swarner@wboro.org](mailto:swarner@wboro.org)

International Club

International Club is an activity for students who are taking foreign languages or have taken them. The club hosts Foreign Student Day, in which exchange students attending other local schools come to Whitesboro High School for an enjoyable day of activities. The club also welcomes exchange students placed in Whitesboro. [Contact: Mrs. Brady at sbrady@wboro.org](mailto:sbrady@wboro.org) / [Mrs. Bunal at bbunal@wboro.org](mailto:bbunal@wboro.org)

Literary Magazine

Literary Magazine is dedicated to helping students work on poetry, short stories and art work and is open to all students in grades 9-12. The club generally meets once a week with Mr. Puckey in room 3213, and culminates with the publication of student work in the annual issue of the Whitesboro Literary Magazine. [Contact: Mr. Puckey at apuckey@wboro.org](mailto:apuckey@wboro.org)

Mathletics Team

Mathletics is an activity for students who excel in math and enjoy competition. Six tournaments are held at area high schools in which a group of five students compete against other students in individual tests, team questions and relays. Total points are accumulated from each of these tournaments and at the end of the year, a first place trophy is awarded. [Contact: Mr. Costanza at scostanza@wboro.org](mailto:scostanza@wboro.org)

Model U.N.

Model U.N. is an activity for students interested in politics and world affairs. Members attend conferences at which they act as delegates from various nations; they then represent this nation in a mock United Nations Summit. [Contact: Mrs. Dean at ldean@wboro.org](mailto:ldean@wboro.org)

CLUBS AND ACTIVITIES

National Honor Society

Selection to the National Honor Society is made by the Whitesboro National Honor Society Faculty Council. The Council is comprised of six teachers and one guidance counselor. The following are the requirements to attain membership to the National Honor Society:

- Must maintain an overall average for each quarter of 90 or higher.
- Must also participate in two activities per high school year, one of which must be high school related. Under this category, students must have turned their candidate sheet into Mr. Ryan by the deadline stated on the form. This form tells the Faculty Council of student service to the school and community.
- Must demonstrate the National Society ideals of service, character and leadership. If they fail to meet these requirements prior to the review by the Faculty Council, they will not be admitted to the Whitesboro Honor Society.
- To retain membership, students must continue to demonstrate character, service and leadership. Participation in two activities fulfills the requirement in the service category.
- Honor Society members sponsor the Helen Potter Memorial Scholarship and at the end of the year, they tutor students. Members also finish the year with an annual field trip taken in June.

Contact: Mr. Ryan at sryan@wboro.org

Outdoor Club

The Whitesboro High School Outdoor Club aims to inspire students to want to spend more time outdoors, to cultivate a passion for outdoor activities and empower students to stretch their comfort zones; meeting people and engaging in new, lifelong activities while enjoying nature. Some potential activities may include hiking, fishing, archery, cross-country skiing/snowshoeing, orienteering, camping basics, survival skills and cycling/mountain biking, just to name a few. Contact: Mr. Massoud at amassoud@wboro.org

Political Discussion Club

Political Discussion Club typically meets on a weekly basis to discuss current and contemporary political issues at hand. Students develop positions on topics and express them in an auditory format. The club is open to all students in grades 9-12. Contact: Mrs. Cidzik at rcidzik@wboro.org

The Red Cross Club

Aside from providing training and leadership development, members have the opportunity to engage in Red Cross mission-related activities that address our community's needs while delivering the life-saving services of the Red Cross. Participation provides students with the opportunity to plan and implement projects that will save hundreds of lives from blood drives to disaster preparedness education. Contact: Ms. Ambrose at aambrose@wboro.org

Renaissance Club

The Renaissance Club promotes the celebration of academic success in the high school. Students in grades 9-12 are welcome to be part of this club's planning and organizing academic recognition rallies. Contact: Mr. Jecko at djecko@wboro.org

School Newspaper

The high school newspaper covers school activities including music, sports, and other social events. Editors and staff meet after school and sometimes on weekends to complete the editing, typing and layouts. The paper is distributed monthly in the cafeteria. New members are welcomed anytime. Contact: Mrs. Synakowski at msynakowski@wboro.org

Science and Environmental Club

Science and Environmental Club is for all students interested in activities encompassing all sciences. Students will be able to participate in a number of hands-on projects both in and out of the classroom. Contact: Mr. Costanza at Scostanza@wboro.org/Mrs. Wadnola at dwadnola@wboro.org

Ski Club

The Whitesboro Ski Club is a co-educational, recreational club whose members participate in Alpine, Nordic and snowboarding outings to various ski areas. It offers students the opportunity to learn and participate in a lifetime, outdoor activity while providing them with the ability to interact with each other in a non-competitive, non-academic arena which will cultivate friendships and support. It will also inspire students to challenge themselves and empower them to attempt new activities that may go beyond their comfort zone. Contact: Mr. Klein at cklein@wboro.org/Mrs. L. The purpose of the S.A.D.D. (Students Against Destructive Decisions) program is to organize students from across the county to combat the number one killer of their age group - death due to drinking and driving. Contact: Mrs. Rainbow at erainbow@wboro.org

Student Council

Student Council is the government body at Whitesboro High School. Representatives are elected in social studies classes. Christmas Ball, Blue and White Weekend, pep rallies and charity fundraisers are just some of the activities in which members get involved. Contact: Mr. Powers at kpowers@wboro.org

Technology Club

An organization designed to bring together students with an interest in technology and developing craftsmanship skills. Projects involve science, math and technology principles, along with trade skills such as carpentry, metalworking, welding, machining, etc. Previous projects have included a hovercraft, chopper mini-bike and a guitar. Contact: Mr. Ott at cott@wboro.org/Mr. Smith at asmith@wboro.org

Varsity Club

Varsity Club consists of male athletes who play a varsity sport. Each year, the club raises money through raffles at football and basketball games. The money raised is used to take trips to the JMA Wireless Dome, and for other activities and awards. At team banquets, block W's, pins and certificates are given to recognize the number of years of participation of student athletes. Contact: Mr. Maggolino at tmaggolino@wboro.org

Yearbook

The yearbook staff meets every Wednesday after school. The book is designed and edited online through our publisher's website. Students are taught how to use the website and encouraged to use their artistic ability to design page layouts. Photography and business concepts are also a part of creating our yearbook. Food Service Information

The Whitesboro Central School District's Food Service department welcomes you to a new and exciting school year. The food service team will work hard to ensure that each meal served provides a varied and well-balanced meal consisting of whole grains, lean proteins and an array of wholesome fruits and vegetables. The food service staff are knowledgeable and trained in food safety procedures, regulations and food allergy protocols to follow. Each staff member has the skills and mindset to ensure a safe, healthy and friendly experience for all students.

Community Eligibility Provision (CEP)

Back on November 1, 2023, the District's Food Service department received approval to operate both the School Breakfast Program (SBP) and National School Lunch Program (NSLP) under the Community Eligibility Provision (CEP). Under CEP, students enrolled in the Whitesboro CSD can receive FREE breakfast and lunch meals! This approval is good through June 30, 2027.

Families with children in the District do not need to fill out a new 2024-25 household income eligibility form, but it is encouraged to do so for additional state and federal program benefits that the District and/or your child(ren) may qualify for. If you are interested in submitting a form, please visit www.wboro.org/foodservice under the Important Links And Information tab.

Breakfast Program

Breakfast programs are available to students at ALL of our school locations within the District. Breakfast includes a rotating main "hot" entrée or cereal, whole grain toast, fruit, 100% fruit juice and milk.

Bus schedules do not change as a result of breakfast. Students who decide to participate in this program will go to the cafeteria after their bus arrives.

As stated above, breakfast is available to any student interested and is FREE of charge for the 2024-25 school year!

Nutrikids POS

Our food service program uses a point of sale (POS) system called "Nutrikids". New kindergarten students will receive their pin number on the first day of school from their teacher.

New students entering the District can request a pin number from a food service cashier. This permanent pin number will be used for accessing meal account information and all transactions associated with it.

Please help your child to learn this number and keep it in a safe place until the child has memorized it. This number will be used by your child for as long as he or she attends WCSD.

MySchoolBucks

MySchoolBucks.com is an excellent tool for parents to use to monitor and make payment(s) on their student(s) account. Simply sign up for an account, add your student(s), and you are set to go! Parents can make one-time payments, set up automatic payments, set up low balance notification emails or simply use the account to check the 90-day purchase history for their student(s). If you have any questions or need assistance with creating your account, please do not hesitate to call us at 315.266.3315.

On initial setup of new accounts, a student ID number is required. Please call the food service department at 315.266.3315 to request this information.

Meal Charging Policy

In addition to FREE meals, students will have the option to purchase additional items such as milk, extras and a la carte selections each day during meals. In order to receive these additional items, students will need to have money available on their meal accounts or pay cash at the time of purchase. NO CHARGING to the student's meal account is permitted without sufficient funds available.

Drug-Free Schools & Section 504

Drug-Free Zones

The Whitesboro Central District is a Drug-Free School Zone. This zone consists of the area within the real property boundary of all schools within the Whitesboro Central School District, together with 1,000 feet beyond said real property boundary.

In September 1993, the Board of Education recognized the grave threat posed by the actual or threatened illegal sale of controlled substances to children and declared its support of the efforts of local law enforcement agencies to eradicate the sale of controlled substances and illegal drugs on school grounds and support for increased criminal penalties for sale of controlled substances within this Drug-Free School Zone.

The designation was made in response to the New York State Legislature amendment to the Penal Law to increase the criminal penalties for persons convicted of the sale of a controlled substance in or near school grounds. State and federal laws defined “school grounds” as including any building, athletic playing field, playground or land within the real property boundary line of an elementary, parochial, intermediate, junior high, vocational or high school, together with the area within 1,000 feet of the real property boundary line.

Prevention Programs

Whitesboro schools emphasize PREVENTION as their primary approach to dealing with substance abuse. Healthy habits and making good choices are taught in grades K-12, and is a focus of our health curriculum. We offer many clubs for our students to learn and participate in prevention programs such as the Tolerance Club at the Middle School and the SADD Club at the High School.

Section 504 Policy

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. Section 504 defines a person with a disability as anyone who has a mental or physical impairment which substantially limits one or more major life activities such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working; has a record of such impairment; or is regarded as having such an impairment.

The Whitesboro Central School District acknowledges its responsibility under section 504 to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability shall knowingly be permitted in any program or practices in the school district.

Under Section 504, the school district has the responsibility to identify, evaluate and, if the student is determined to be eligible under Section 504, to offer access to appropriate educational services.

If the parent or person in the parental relationship disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer or designated school official.

The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. The act gives the parent or guardian the right to: 1. inspect and review his/her child’s educational records; 2. make copies of these records; 3. receive a list of all individuals having access to those records; 4. ask for an explanation of any item in the records; 5. ask for an amendment to any report on the grounds that it is inaccurate, misleading or violates the child’s rights; and 6. a hearing on the issue if the school refuses to make the amendment. Any alleged grievances should be reported to Section 504 Coordinator Christopher O’Neil at 315.266.3240.

Health/Immunization Requirements for School Attendance

In accordance with statutes referencing requirements for students to be immunized, the Whitesboro Central School District recognizes the necessity of immunization to protect individual students, as well as groups of students, from communicable diseases. In addition, the Whitesboro Central School District recognizes the importance and responsibility to protect any and all students from contact with individuals who have not been properly immunized and, because of this, may affect the health, safety and welfare of the individual and the student body in general.

For complete New York State Immunization Requirements for School Entrance/Attendance, please refer to the District website,

Requirements for School Attendance

A principal or person in charge of a school shall **NOT** permit a child to be enrolled in such school unless a person in parental relationship to the child has furnished the school with appropriate evidence that the child has been properly immunized. **In accordance with Board of Education Policy, all immunization requirements must be met prior to students beginning school.**

Student Physicals

The Education Law of New York State requires that each new entrant to the District and students in grades kindergarten, first, third, fifth, seventh, ninth, eleventh and new entrants must have a physical examination, either by the family physician or school nurse practitioner. Please communicate with the school nurse if your family physician/nurse practitioner will provide the physical examination. The school nurse will provide vision, hearing and scoliosis screenings per New York State regulations.

Sports Physicals and Health History Updates

A physical within the year must be on file in the health office. As a requirement of the New York State Education Department, a **Health History Update** must be completed by parent/guardian prior to the sport start date. A physical exam form and Health History Update **must** be returned to the Health Office to be approved for a sport. Without approval from the Health Office, a student **will not be able to try out or practice.**

Medication During the School Day

School policies regarding administration of medication are consistent with procedures established by State Education Law. For students to receive medication (prescription or **non-prescription**, including cough drops and other “**over-the-counter**” drugs) during the school day, the following procedures **MUST** be followed and renewed each year:

- The parent or legal guardian must submit a written request to the school authorities together with a written request from the prescribing physician indicating the frequency and dosage.
- The medication must be brought to the school by a responsible adult in the original container labeled with the name of the drug and the dosage.

Unless these procedures are followed, medications will **NOT** be administered in school.

**STUDENTS MAY NOT CARRY
MEDICATION WITH THEM.**

District Information

The Whitesboro Teacher Center (WTC)

WTC was established in July 1987, and is part of a network of 127 centers, which serve some 660 public school districts and BOCES, as well as hundreds of non-public schools across all regions of the State. This network provides cost-effective, systematic, ongoing professional education services to teachers.

Over the years, the WTC has expanded both the scope and depth of services offered, and has become an educational service center. A Policy Board comprised of representatives from the Board of Education, teachers, business/industry, higher education, administration and parents governs the WTC. The Center works collaboratively with the District to provide affordable training in technology and innovative teaching practices to its constituents based on locally determined needs.

The Center also supports a Curriculum Materials Center open to staff and the community. The library contains instructional materials, technological equipment, an Ellison die-cut machine, laminator, poster-maker, professional literature and a lending library on parent education. All stakeholders are encouraged to participate in Center activities, and in many cases, special programs are offered for parents and other community groups.

To help students achieve higher standards, the WTC works with educators to:

- Strengthen teamwork among teachers across disciplines.
- Develop curriculum that connects to students' lives.
- Design class activities that engage all students.
- Manage a classroom more effectively.
- Apply state standards in a meaningful way for students.

The WTC provides a structure for teachers to take charge of their own professional growth, and affords them an opportunity to share with one another the tremendous expertise that they possess. Professional development opportunities include new teacher training and support, mentoring and induction, peer coaching, collegial circles, mini-grants and research opportunities, as well as a full complement of topics offered in more traditional workshop or course formats. For more information about the Whitesboro Teacher Center, call 315.266.3313.

Network and Internet Use Policies

The Whitesboro Central School District (WCSD) provides students with access to District Information Technology (IT) resources and devices to foster educational goals and objectives. Responsible and appropriate conduct is expected from all students. In order to provide access in school and at home, WCSD employs network filtering and other safety and security measures to supervise, monitor, and protect District IT resources and the safety and security of all students and staff.

Provided services such as network or cloud file storage and email may be treated like school lockers. The District may monitor, inspect, or review files to maintain system integrity and confirm appropriate use. Students should not expect that files or information stored on District IT resources and/or devices will be private, and shall adhere to all laws, District policies, and rules. District IT resources should never be used inappropriately, such as attempting to circumvent safety and security measures or introduce malicious computer code/files.

Violations of District IT policies may result in loss of access, as well as other disciplinary or legal action. Disciplinary referrals include teacher and administrator action taken and will be cumulative (K-12) in nature. Determination of inappropriate use will be made by WCSD.

Complete District Information Technology policies can be found at www.wboro.org/itpolicies.

Chromebooks

District Chromebooks are issued to all students at no cost, to provide greater opportunities to learn, engage, communicate, and develop skills. Students accept the responsibility for taking appropriate care and safekeeping of their assigned Chromebook, and are required to keep the District-provided name label in the case label window at all times. Parents/Guardians may be held financially responsible for Chromebooks, chargers and/or cases that are damaged or lost.

Visit www.wboro.org for the latest event dates/times and information.

General Information

Special Education Services

Children with special academic, social/emotional, behavioral and physical needs in our District are provided a quality education in the least restrictive environment. The Special Education Department is proud to provide services for students from age three through 21 in programs both in and out of the District. Certified members of the Special Education professional staff provide services to students addressing all of the disabling conditions identified in the New York State Commissioner's Regulations. Students with disabilities, identified by the Committee on Special Education (CSE), are provided an Individualized Education Program (IEP) and are placed in programs that include: special classes, resource rooms and consultant teacher services. Students in special class programs are included in all special area programs and mainstreamed in academic areas of strength. The District also provides a wide range of assessments, consultations and services which include psychiatric, psychological, counseling, speech therapy, occupational therapy, physical therapy, teachers of the hearing impaired, teachers of the visually impaired, orientation and mobility training, among others.

Community agencies have taken an active role in the District to aid in identifying and providing support services for students with special needs. Such agencies include: Resource Center for Independent Living (RCIL), Central Association for the Blind and Visually Impaired, and Adult Career and Continuing Education Services-Vocational Rehabilitation (ACCES-VR).

All programs and services offered are reviewed yearly by the Committee on Special Education to determine progress, effectiveness and continued need for services. For more information, contact the Special Programs & Services Office at 315.266.3309.

Programs for Advanced Learners

At the middle school level, accelerated math and science classes are offered. Opportunities at the high school level include: New Visions, Advanced Placement Programs, Honors Courses in English and Social Studies, Bridging Programs with area colleges, Mentor Programs with School and Business Alliance, Regional Program for Excellence and numerous clubs, teams and performing groups.

English as a New Language Program

The Whitesboro Central School District has an ENL (English as a New Language) program for all grade levels for students identified as needing such services per state regulations. The purpose of the program is to provide instruction in the English language so that English language learners can be successful in school.

ENL students and their families bring a new dimension to the classroom and community by contributing the richness of their diverse cultures.

For more information on the above programs, please contact your building principal.

General Information

Student Directory Information Policy

New York State law allows school districts to release student directory information to an outside group without individual consent. Parents or eligible students have the right to refuse the release of such information by notifying Mr. Christopher O'Neil, Records Information Officer, in writing no later than October 1 of the school year. Following this response period, the District may release such information.

The Family Education and Rights Privacy Act (FERPA) defines student directory information as the following: name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (if members of athletic teams), degrees and awards received and the name of the educational agency or institution previously attended by the student.

Policy on Attire K-12

In the interest of promoting a learning environment free from disruption and one that adheres to New York state's standards regarding health and safety, the following guidelines will apply to the entire Whitesboro Central School District student body. Attire which has the potential to cause a disturbance in the classroom, endangers the student wearing such attire or other students, or is so distracting as to interfere with the learning or teaching process, will be prohibited.

The following exemplifies such attire: (1) Clothing with potential to reveal private body parts; (2) Clothing with obscene language, including expression or insignia which is obscene or libelous, or which advocates racial or religious prejudice; and (3) Clothing with graphic depiction of indecent behavior. Please note that individual schools may have additional specifications for attire requirements.

Use of Surveillance Cameras in the Whitesboro Central School District

The Whitesboro Central School District promotes student, staff and visitor safety in all District facilities, grounds and buses. In an attempt to ensure a safe and effective learning environment, the Board promotes the use of surveillance cameras when necessary in all District facilities, grounds or buses. Surveillance cameras will not be used in private areas such as restrooms and locker rooms where there is reasonable expectation of privacy. Such prohibition does not preclude the use of audio recordings by law enforcement or District personnel when used in accordance with their official duties and as authorized by law.

Snow Days/Emergency Closings

The decision to close schools because of adverse weather conditions is made only after the road conditions in the District are reviewed personally by District staff. The final decision is made by the Superintendent after consulting with staff that have checked conditions. The news media is then informed of the decision. If the weather is inclement, please tune in to the following stations:

WIBX-950 AM

WUTR-TV Utica

WTVH Utica

WRUN-1150 AM

WKTV Utica

WIXT-TV Syracuse

Spectrum Cable News

Delays and closings will be posted to the school website:

ParentSquare

Beginning in 2024-2025, the Whitesboro Central School District is replacing the SchoolMessenger mass notification platform and the Whitesboro CSD mobile app with ParentSquare, a new and more robust unified communication platform designed to keep parents and guardians informed and encourage greater engagement and connection with the District.

Signing Up

Click the link in the activation email/text, or sign up on parentsquare.com or via the ParentSquare app. Parents/Guardians who create an account can interact by viewing posts, messaging, downloading attachments, managing their communication settings and preferences, and more. Those who do not register will still receive text, email, and/or phone notifications. Communications are dependent on the District having accurate parent/guardian contact information on file; **please contact your child's school if any of your information has changed.**

For the best experience, download the ParentSquare app (available for free for iOS and Android devices).

Athletic Department

PROCEDURES FOR DETERMINING ACADEMIC ELIGIBILITY

- I. These guidelines apply to all High School and Middle School athletic activities in which students participate:
- II. It is the responsibility of teachers to provide an evaluation of students commencing with the third full week of the first semester for courses commencing that semester, and the third full week of the second semester for courses commencing that semester. Subsequently, every two weeks, a formal report will be completed by all teachers for any/all athletes who are failing during the bi-weekly report period. Reports are due to the athletic director by the close of school, Wednesday (second week of report period). The athletic director or designee will tabulate the information and be responsible for notifying the respective coach(es).
 - A. An athlete failing two or more courses will become ineligible for one week (Monday through Sunday) following the submission of the bi-weekly report. While ineligible, the student must practice and attend games, but may not participate in games.
 1. During the period of ineligibility, the student must meet with his/her teacher(s) to discuss those areas in which he/she needs to improve. Each teacher shall inform the respective student(s) of the area(s) in need of improvement and direct him/her in a manner to address the deficiencies in those area(s) identified.
 2. Prior to reporting to practice during the period of ineligibility, students must attend extra help sessions to be scheduled by the teacher(s).
 3. On the Friday of the week of ineligibility, the respective student must obtain a report from his/her teacher in those course(s) reported as failed. If he/she is no longer failing two or more courses, he/she shall be reinstated in the respective athletic program. If still failing at least two courses, the ineligibility shall continue for another week.
 - B. The parent/guardian shall be notified in writing (form letter) by the athletic director or designee that the student is ineligible, and the period of such ineligibility.
- III. Students who have been classified by the Committee on Special Education and who are failing two or more courses shall be subject to review by the teacher(s) of the failed courses and the special education teacher(s) for the respective student(s).
- IV. APPEAL PROCESS: There shall be an appeal process which, if exercised, shall commence with the student discussing/clarifying the failures with his/her teacher(s). If, after such discussion, the failure(s) continues to be in dispute, a student and his/her parent/guardian, may request a meeting with the athletic director/principal or designee and if necessary, the respective teacher. If the dispute continues at the conclusion of this stage, the parent/guardian may appeal the decision to the Superintendent or his/her designee.
- V. It shall be the responsibility of the athletic director and the respective coach(es) to provide a copy of these guidelines along with the "Contestant Policies for Interscholastic Athletics," to all students desiring to participate in athletic activities. It shall be the responsibility of the respective parent/guardian and the student to review these regulations, and sign a statement indicating that they have been received and reviewed and that the student's participation in the athletic activity will be subject to these regulations as stated.
