

## Bowling Green Swim Club

Why join the Bowling Green Swim Club??

\*\*Being able to swim can save a life!

\*\*Swimming is a lifelong activity!

- Developmental Swimmers can improve techniques learned in swim lessons and maintain their swimming skills over the winter months!
- Advanced Swimmers continue to build their endurance, stroke refinement, and conditioning!

BGSC is a competitive swimming program for swimmers as young as 6 through high school (even if your area high school does not have a pool!). No previous experience is required! Coaching/Instruction for all ability levels and age groups.

All practices (developmental and competitive) are held at the BGSU Student Rec Center

Do you have a child between the ages of 3 and 6? We have our Sooner or Later Gator program that reinforces summer swim lessons and continues with competitive swimming basics.
