September 2024

Dear Parents,

We are excited to be assisting you in your vocation as a parent to raise and educate your children in the Catholic Faith. We hope that this year will be filled with many blessings and growth in the faith. This handbook is designed to provide you with our program policies, procedures, and valuable information of ways you can become actively involved in the faith formation of your child.

The Faith Formation process is meant to be a supplement to your own role as your child's "first teacher of faith." We are at your service to assist you as you help your children to encounter Jesus and the Catholic Faith. Your personal involvement in the faith formation process will be one of the most important witnesses to your child as he/she explores the Christian life. We are blessed to have a dedicated team to assist in the passing on of the faith. Our catechists, catechist assistants, and catechist aides give much time and energy to help your child grow in faith. You are invited to communicate with them frequently if you need assistance, or to make them aware of special needs or circumstances.

As an active member of the OLGc faith community, you are encouraged to grow spiritually and nurture your adult faith by embracing the sacramental life and by participating in adult enrichment opportunities, parent gatherings, and parent/child activities offered throughout the year through the CCF program and parish. May God bless you and your family as you seek intentionally to encounter the living God and to grow in your knowledge of and participation in the faith.

"The essence of prayer lies not in being always on your knees, but in conforming your will totally to God in all the events of life." -Saint Jane de Chantal

"Be who you are and be that well so that you may bring honor to the Master Craftsman whose handiwork you are." -Saint Francis de Sales

Spirituality, Vision, Goals

As a community of faith, we proclaim the good news of the gospel through lived faith, prayer, liturgical and sacramental participation. We seek to experience the love of God through love and service to one another, and to be a visible witness to the Christian life. Christian Formation will strive to reflect the vision in the following ways:

CCF Policies and Procedures

Registration:

Faith formation opportunities are offered to all registered members and families of OLG Church. Parents need to register children/youth each year. Registration for those families already enrolled in CCF will take place during the months of April/May. Those who are new to the parish may register after they have become members of OLG Church. The registration process is necessary each year so records can be kept current. Tuition and a copy of each child's baptismal certificate are required for complete registration.

Tuition:

The amount for tuition for each child is listed below. Payment of tuition is due by September 30th. Families who did not include payment with the registration form will be billed. If any parent/guardian is unable to pay the tuition amount, please contact the Director of Faith Formation to discuss your situation. Tuition grants are available. No child will ever be denied an opportunity to participate in parish CCF programs due to the inability to pay. If you need to withdraw your child before the start of CCF, we will issue you a refund minus a \$50 administrative fee.

Tuition Fees:

CCF Grades K-8: \$200 = 1 child
 \$375 = 2 children
 \$400 = 3 children or more
 \$60 - Homeschool

Sacramental Supplies: \$75 = every child in Grade 2 or Emmaus preparing for 1st Eucharist
 \$75 = every child in Grade 8 preparing for Confirmation

Early Bird Registration for returning families: \$20% discount per family. Must register before July 1st.

Programs

Parents whose children are enrolled in CCF are given the opportunity to attend an Orientation/Open House in September. The Orientation/Open House provides an opportunity for parents to obtain the necessary information for the CCF program and meet the child's catechist. All parents will be notified of their child's catechist and room assignments by the CCF Office via email before the first day of classes.

Elementary CCF (Grades K-6)

Children meet on scheduled Saturday mornings. Session 1 meets on Saturday from 8:30-10:00 am and Session 2 meets Saturday from 10:30-12:00pm (if there is enough registration).

Class size is limited to 25 children. When registration opens in the Spring, parents are offered a choice of times. However, if all classes are filled in a particular session, children will be placed in the session where space is available or given a homeschool option. Registrations are processed according to the date received, and baptismal certificates are submitted. Parents are asked to complete a volunteer form as part of the registration process.

Saturday mornings, children in grades K-3 must be brought in and we have the catechist meet them at the respective doors. For K we allow the parents to walk their child to the class and they don't need to sign in. If you desire an older sibling to drop off or pick up your child please email your child's catechist with permission. Children will not be dismissed unless child's parent/guardian is present.

Parents are encouraged to take an active role in their child's faith formation by being interested and involved in their child's faith formation. Parents are encouraged to discuss the lessons with their child, and facilitate the completion of assigned work. Parents are given many opportunities to be involved in the faith formation of their child.

Junior High CCF (Grades 7-8)

Meets on scheduled Sunday evenings from 6:15 to 7:45pm and enter through the Counsel Room doors Those who intend to prepare for the sacrament of Confirmation must enroll and participate in the CCF program during the seventh and eighth grade years. 6th grade enrollment is essential as well since the Old Testament study which takes place in 6th grade is indispensable for 7th grade studies.

Home Schooling

Home study/catechesis is a viable option when special circumstances limit or prevent a child from participating in the existing CCF programs. Home catechesis is generally not an option during sacramental preparation years (1st and 2nd for 1st Eucharist/1st Reconciliation and 7th and 8th for Confirmation). Parents home schooling their children and taking responsibility for their child's faith formation are asked to contact the Director of Faith Formation. We want to offer our support, guidance, and keep you informed of Diocesan policies and guidelines.

Parent Orientation

In September, the Faith Formation Office will host a meeting for any families who are new to CCF or who would like a refresher on the logistics of our program. We ask all families to attend the parent meeting. We also invite you to introduce yourself to your child(ren)'s catechist. We wish to honor your time and ask that if you would like to learn more about our program to attend this meeting.

Circle of Grace

Circle of Grace® is a facilitated discussion and conforms to the USCCB requirement for the training of children in Catholic youth programs in the Diocese of Arlington. It is a licensed product requiring more involvement from the OPCYP in implementation.

Through *Circle of Grace*, adults assist children and youth to recognize that each of us lives within a Circle of Grace that holds our very essence in body, mind, heart, soul, and sexuality. ***Circle of Grace* is not a sex education program that the Diocese of Arlington reserves for parents.** Children and youth are taught to identify and maintain appropriate physical, emotional, spiritual boundaries; recognize when boundary violations are about to occur; and demonstrate how to take action when boundaries are threatened or violated. *Circle of Grace* provides a strong parent component in which parents can actively participate in their children's education and formation.

Parents are an essential part of our safe environment training strategy. It is important they know what is being taught to their children in order to know how to answer their potential questions. More information will be sent to parents closer to discussion so you can know the material.

Arrival and Departure

Please Note: On Saturday mornings, children in Pre-K through Grade 3 must be accompanied by a parent or guardian to and from class. Parents are encouraged to wait outside the classroom and be present to their children upon dismissal. The dangers of moving vehicles, congestion, and vulnerability are all reasons why it is recommended that all parents accompany their child to and from class; particularly grades Pre-K-3.

Early Dismissal: Parents need to sign in at lobby guard and have driver's license. Parents must notify the catechist at the beginning of class if a child/youth is to be dismissed early. You will be asked to sign your child out at the front desk. This is necessary to ensure the safety and well-being of each child/youth. This policy pertains to children/youth attending Elementary and Junior High CCF.

Attendance and Absenteeism

If your child(ren) will be late or unable to attend class due to illness, transportation issues, shared custody, etc., please notify your child's catechist or the CCF Administrator.

Consistent attendance is an essential part of the faith formation process. Parents will be contacted by the catechist if any child/youth either misses two consecutive classes or is consistently late to class. If attendance continues to be a problem, you will be contacted by the CCF Office. Contact is an opportunity for the parent and Director to resolve problems or crises which might be the cause of absence or late arrival. Please let us know if there are extenuating circumstances that we should be aware of, such as joint custody, etc.

We are keenly aware that many children participate in community-sponsored sports such as soccer and baseball during the year. When a game is scheduled during the child's scheduled classes, you are given the option of teaching your child the scheduled lesson at home. Working with your student's catechist and the Coordinator of CCF Catechesis, you can find out what needs to be covered during the CCF class absence. If you require further assistance in teaching your lesson at home, the Coordinator of CCF Catechesis and/or your child's catechist can provide valuable guidance regarding lesson content and focus.

For our Saturday morning sessions, we do allow children from one session to attend the other morning session. This switching needs to be done on a limited basis and as a last resort. It is important for the children to be building community with their assigned class and catechist. If your child does need to switch sessions for a particular day, please contact the CCF Administrator. Your child's assigned catechist needs to know that child will be switching for a particular date and the catechist in the corresponding grade at the other session needs to know that one more student will be joining the class for the day and the CCF Administrator will assist in this.

Excused Absence Policy:

A child's absence is "excused" when the catechist or CCF Administrator is notified prior to class. An excused absence facilitates effective communication regarding your child's participation and attendance. Excused absences will not eliminate an absence from your child's attendance record, but will indicate that communication regarding a child's absence or situation has occurred.

Cancellation and Rescheduling

During inclement weather, Fairfax County Public Schools policy will be followed regarding cancellations and rescheduling. The rescheduling of classes will be determined by the Director and Administrator if necessary, and you will be notified well in advance of any additions or changes in the schedule.

Discipline

If inappropriate behavior occurs during class, the catechist will speak to the child/youth after class. If the inappropriate behavior continues, you will be informed of the incident, and any disciplinary action will be entrusted to you. If inappropriate behavior continues after the above procedures have been followed, then the Director will contact the parent for a meeting before the next scheduled class. If more actions are needed, to resolve the behavior fairly and sensitively, the parent, student, catechist, Director, and Pastor will meet and discuss further options and possible dismissal.

Communication

For communication to be effective, it is essential that everyone be open, honest, and sincere with one another. This pertains to the Director, Administrator, parent, catechist, and student. We are called to be Christ-like in our words and actions.

The CCF Office will do its best to keep you well-informed of all program activities, events and changes through written and verbal communication. If there are any special problems or needs that we should be aware of, you may discuss these with the Administrator over the telephone or schedule an appointment. The CCF program provides information and invites your input in a variety of ways.

Adult Faith Formation

As one of the most influential role models for your child, it is essential that your child sees you embrace and grow in your faith as well. Exploring the Faith will not only aid in your own formation, but will enhance the faith life of your whole family. One of the beauties of the human life is that we never stop growing. God is always drawing us into greater understanding and communion with the Body of Christ. We offer an array of adult faith formation opportunities. Please consider taking advantage of one of them. You can find more information about these opportunities on our website. If you ever have an idea of an opportunity you would like to see, please give our office a call.

Sacramental Preparation, Formation, Participation, and Celebration

Parent's Witness to and Celebration of the Sacramental Life

Parents, as the first teachers of faith, are actively involved in the sacramental preparation process and continued faith formation of their children. Parents model the Christian life by example, through active participation in the catechesis of their children, and attendance of parent meetings and parish liturgical celebrations, such as weekly Mass and the sacrament of Reconciliation. It is your responsibility and privilege to ensure your child's participation at Mass every Sunday. Having your child attend Mass is an extremely important component of faith formation as it fosters the prayer life of the child and the child's relationship with God, as well as builds community with the Body of Christ. Mass gives us the strength by which to be sent into the world to be Christ's hands and feet.

The catechists reinforce what parents have taught and lived each week through instruction, review, and discussion. The sacramental preparation process is thoroughly explained at the parent meetings.

1st Reconciliation and 1st Eucharist Prep (Grade 1-2)

All second grade children enrolled in the Catholic Christian Formation program and OLGC School and are given the opportunity to prepare to celebrate the sacraments of Reconciliation and Eucharist for the first time. Enrollment in CCF Grades 1 and 2 is an expectation for 1st Eucharist and 1st Reconciliation preparation.

Children's OCIC (ages 7-18)

Children and youth of catechetical age (ages 8-18) who are un-catechized and are seeking any or all of the sacraments of initiation (Baptism, Confirmation, Eucharist) are invited to participate in Children's OCIC.

Emmaus Formation: Eucharist Prep for older children (grades 3-8)

Children and youth who have otherwise not missed too much in faith formation and are seeking to prepare for their first Eucharist are invited to participate in Eucharist prep for older children. This prep course takes place during the year on scheduled Sunday afternoons, in addition to the child's grade-level CCF class or OLGC School religion classes.

Confirmation (Grades 7-8)

The Rite of Confirmation and the Diocese of Arlington guidelines clearly state that appropriate formation process will prepare youth for the gifts of the Holy Spirit, and to affirm their commitment to the Church and the Christian life through prayer, sacrament, and service. The Confirmation preparation process includes all parish youth in grades 7 & 8 who are enrolled in CCF and in the school. Enrollment in both Grades 7 and 8 CCF/OLGC School is mandatory for Confirmation.

Pentecost Confirmation Prep for teens to adults (grades 9 and up)

Confirmation preparation is offered for high school-aged youth and adults who have otherwise not missed much time in faith formation/religious education and are seeking to prepare for the Sacrament of Confirmation. Formation begins in the Spring and the Sacrament of Confirmation is celebrated on Pentecost Sunday with the bishop at St. Thomas More Cathedral in Arlington.
