

The Sky is the Limit

We work with students individually to define success.

- Independent study option for students in grades 7-12
- Individualized support with a supervising teacher
- Increased flexibility in the time, location, and pace of instruction
- Daily opportunities for support in English, math, science, social studies, and world languages

We C.L.I.M.B. to success . . .

- Collaboration
- Leadership
- Integrity
- Motivation
- Belonging

Balanced Curriculum

- A-G approved curriculum
- Quality coursework using NMUSD-approved curriculum
- NCAA Approved Coursework

- All required courses meet high school graduation requirements
- Middle and high school independent study labs for test proctoring and content support
- Access to ROP courses, CTE courses, and Dual Enrollment classes with local community colleges

High-Interest Middle and High School Electives

- Digital Photography
- Coding
- Game Design
- Forensics
- Sports and Entertainment Marketing
- Cybersecurity
- And more!
