

METRO RESA MATH AND SCIENCE PRESENTS

3-5 STEM: INTENTIONAL INTEGRATION OF MATH AND SCIENCE

Sessions will be held 8:30 AM to 3:30 PM at the Metro RESA Campus

\$99

This session will explore the purposeful integration of Georgia's K-12 Mathematics Standards with the Georgia Standards of Excellence in Science for grades 3-5. Participants will engage in interactive, grade-specific activities that blend science, technology, engineering, and mathematics (STEM). Participants will receive various STEM resources to enhance their classroom practices, including curated websites and sample lessons.

**Grades 3-5 Session:
Tuesday,
October 8, 2024**
