

The PSAT® - Experience it Now

with our friends at Revolution Prep

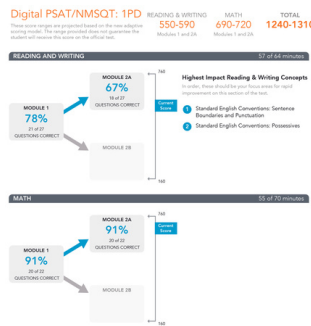

Revolution Prep is ready to support students and their families by offering a PSAT experience that accurately reflects the official College Board test in **format, user experience, adaptivity, and content**. Becoming familiar with the digital format will be key for students before they take the official PSAT in October of their junior year.

We've carefully modeled our testing experience after the official test, so that students feel confident in navigating the intricacies of the digital format—the closest experience to the real thing that you can get!

How it works

- 1 Register for your PSAT practice test at www.revolutionprep.com/partners/1945/
- 2 Instantly receive our best-in-class score report, illustrating three high-impact areas to focus on for each section of the test (math, reading, and writing)
- 3 Turn your child's goals into an individualized plan by scheduling a time to go over your score report with a Revolution Prep team member at www.revolutionprep.com/sue-hmelovsky
