Hey Lagway Families,

The beginning of the month is around the corner, and I wanted to get some dates on your calendar. [Here is the September Newsletter](#). If you missed the good news in the district newsletter, you can still read the statement below. Congrats, Lagway!

We are proud to announce that Lagway Elementary has been named a STAR campus in the annual Honor Roll presented by Educational Results Partnership (ERP), part of the national Campaign for Business and Education Excellence. Honor Roll schools represent those that were comprehensively higher performing on the State of Texas Assessments of Academic Readiness (STAAR) Reading Language Arts and Math Assessments, for all cohorts of student populations served, and that are improving outcomes for historically underserved student populations. To make the Honor Roll, a school must have comprehensively performed above the mean at least 80 percent of the time for all cohorts of students served and for all grade levels served, and must have 33 percent or more students designed as socioeconomically disadvantaged (high poverty). Only 12% of eligible schools in Texas made the Honor Roll List. Congratulations, Lagway Elementary!

Have a good evening,

Mrs. Wilder
