All-School Convocation | Wednesday, September 4

On Wednesday, September 4, 2024 the 1st through 12th grade members of our community will gather together with faculty and staff for our annual All-School Convocation Chapel service. Convocation is the formal calling together of our school community in which we celebrate our intentions for the coming school year. It's a wonderful occasion that includes the awarding of the Jackson T. Stephens Lower School Faculty Award as well as a celebration of the Holy Eucharist.

This year, our preacher and celebrant for our Convocation Eucharist will be the Right Rev. John T. W. Harmon, the bishop of the Episcopal Diocese of Arkansas. It is a point of pride that our school was able to host Bishop Harmon's ordination and consecration as a bishop in the church earlier this year. Throughout his career in ministry, Bishop Harmon has enjoyed many connections to the Episcopal School world. We are so pleased to welcome back Bishop Harmon as a friend of the school on this important occasion. Several members of the Episcopal Church clergy in the area, many of whom are either school parents or alumni, will also take part in the service. It will be a celebration of our whole community.

The service is from 9:00-10:30 am in the Championship Gym. Parents and families are welcome to attend.

Parent Chat | Wednesday, September 18

All parents are invited to attend an in-person Parent Chat on "Anxious Generation" by Jonathan Haidt moderated by Dr. Karney Jolly. This chat will be held on Wednesday, September 18 at 8:15 am.

Please RSVP to Associate Head of Lower School and Director of Student Support Services, Catherine Radtke, at cradtke@episcopalcollegiate.org.

Concession and Gate Sign Up for Fall Sports

We have had an amazing response to our call for gate and concession volunteers with only a few spots remaining at this point. A huge thank you to all who have signed up! We will still be adding our PSL volleyball games so please be on the lookout for those additional opportunities to volunteer. If you have any questions, please reach out to Go Wildcats!

Please reach out to [Laura Schnackenberg](#) or [Mary Margaret Wippo](#) with any questions. Let's go Wildcats!

A Note from Mrs. Schuhmacher

It's been an exciting week in the Lower School now that our PreK friends have joined us! The carpool line seems to be moving well. Please make sure you have your school-issued sign visible, otherwise we will ask you to park and walk in to get your child. Also, if someone else is picking up your child, that person must be noted in Veracross as an approved pick-up person and should have a school-issued sign. We are happy to get you additional signs if needed. Please [email Tonya Thomas](#) with those requests.

Our new family reception will take place in the Lower School Commons this Sunday at 5:00 pm. This is a casual opportunity to meet others and make connections. Hope to see you there!

Good luck to our PSL flag football players as they compete in their first games this weekend! Go, Wildcats!

Have a wonderful weekend!

Help Us Help Your Child With Morning Drop-off

Our students have done an amazing job this week learning new routines and gaining independence. Please plan to drop your child off in morning carpool line beginning Monday. They may struggle a bit at first, but it will get easier every day. By the time they are in their classrooms, they are smiling and ready to go and it makes the transition into the classroom so much easier. If you anticipate some struggles, please let the classroom teacher know and we will make sure the morning carpool teachers are ready to help.

Class Pictures, Dress Uniform Required | Wednesday, September 4

All students should wear Dress Uniform, Option A, on Wednesday, September 4. Students will take their individual school picture that day and attend All-School Convocation. Please reference all school news for more detail about Convocation.

Picture packets were sent home with students this week. You can also order online by visiting: inter-state.com/order using code **90166DA**

Watermelon Kick-Off | Friday, August 30

Our first community event, Watermelon Kick-Off, will take place on Friday, August 30 starting at 5:30pm before the first home football game. This is a fun family event and a great way to meet other Episcopal families. T-shirt orders are due by Monday, August 19.

Students are allowed to wear these t-shirts any Friday for spirit day.

Room Parent Sign Up

WE WANT YOU! We would love two parents per class to serve as room parents who will help coordinate the class holiday celebrations and the honoring of the classroom teachers. Please only sign up for one of your child's classes if you have more than one student at school.

THANK YOU for considering signing up. We will hold a meeting the week before Labor Day to go over classroom celebrations and other logistics.

Classroom Highlights from Dr. House

This year in the Lower School, PreK through 3rd grade will start each day with a special routine called Morning Meeting. This half hour is designed to set a positive tone for the day ahead. During this time, students experience...

- intentional instruction focused on social and emotional wellness, helping them build essential skills like active listening, empathy, and effective communication.
- a meaningful opportunity for each student to feel seen, heard, named, and valued by both their teacher and classmates, fostering a strong sense of community and belonging.
- time to prioritize reflection, prayer, and matters of the spirit through our Daily Devotion

Even though the daily schedule looks different for 4th and 5th graders, our teachers consistently focus on the goals and priorities of Morning Meeting throughout the day. This approach seamlessly prepares students for middle school, where they will engage with the Developmental Design program in their advisories. This alignment ensures that our students are supported in all aspects of their development throughout their time at Episcopal.

We ask that you prioritize the 8:00 - 8:30 time in your child's school day, as it is essential to the Episcopal experience for students at every grade level. This valuable time helps students develop the skills they need to lead principled and fulfilling lives.

Author Visit News from Mrs. Linder

On Tuesday, September 17, Mrs. Linder will host author/illustrator [James Burks](#) in the Braunfisch-Stella Boyle Smith Lower School Library for Kinder through 5th grade students. He is the first of 3 authors we will welcome this year!

Blue order forms should have come this week with Kinder through 5th graders. I am also attaching the [order form here](#) if you need one. Please return orders to Mrs. Linder in the library by Thursday, August 29. A big thanks to WordsWorth Books for helping with book sales!

Chapel News

Our PreK and Kindergarten chapels this week used Sarah Raymond Cunningham's book *This is the Church* to show us that we are all the church by showing God's love through our words and actions. Our community chapel for 1st-5th grade reminded students that prioritizing what's most important in our lives allows us to make room for the rest of what demands our attention.

In our upcoming PreK and Kindergarten chapels we'll talk about how God created each of us with love. In our upcoming Community Chapel, Mrs. Catherine Radke will be presenting a lesson on the Spoon Theory and how we are all equipped, but in different ways, to handle each day.

We hope you can join us for Chapel on Wednesdays. You are always welcome!

PreK 4: 8:20-8:40am, Braunfisch-Stella Boyle Smith Library

PreK 3: 8:50-9:10am, Braunfisch-Stella Boyle Smith Library

Kindergarten: 9:20-9:50am, Braunfisch-Stella Boyle Smith Library

1st-5th: 2:30-3:00pm, Erwin Performance Hall & Gymnasium

In Godly Play this week we learned about The Circle of the Church Year and how the church tells time with colors. Next week, we'll learn about the Creation story in Genesis.

A Note from Dr. McCormick

Hello, MS Families,

It was nice seeing so many of you at last night's Back to School Night, and for those who were unable to attend, the teachers' Canvas pages provide a wealth of information about our courses as well as convey a love and care for our work with middle grades students.

Your child's advisor is also only a phone call away and can provide you additional insight if you wish it. This week, we have continued to help our students understand expectations in classes and as a middle school because we know that setting clear expectations is the single greatest predictor of success.

Stay well,

Chuck McCormick

Head of Middle School

Middle School Club Options

We began discussing club options at Monday's morning meeting. As a reminder, middle school students may choose to participate in clubs on Tuesdays and Thursdays following recess and before afternoon classes start. They are approximately 35 minutes long. By the time you read this, students will have chosen at least one club in which to participate. Here are this fall's club offerings, as well as the teachers who are offering them:

Clubs - Session I

MS Language Club - Balcom/Gammill

Ultimate Frisbee Club - N Jones

Quiz Bowl - Rhodes

Green Club - Raup

Ancient Games - Webb

Softball Club - Baker

Sixth Grade Lacrosse Club - McCormick
Soccer Club - Coach Carter
Reading Club - Kemp

Clubs - Session II

We also will be presenting an exciting online offering in data science to eighth graders interested in this field. Our middle school community will learn more about this at next Thursday's morning meeting!

Middle School Athlete of the Week | Davis Drew, 8th Grade

At Thursday's Morning Meeting, we recognized our first middle school athlete of the week for the school year 2024-2025. It is eighth grade football player, Davis Drew. Here is what Coach Fortner said in recognizing Davis: *Davis plays quarterback and middle linebacker for the junior high team, so he understands the game on both sides of the ball extremely well. He is always on time and plays extremely hard each and every down - he plays the way a coach would want a player to play!* Congratulations, Davis!

Carpool Procedures

Arrival to School

Campus opens at 7:00 am for students. So that we can provide appropriate supervision, students may not enter the building before this time. Students who arrive before 7:30 am should be dropped off at the doors leading into the dining hall and Championship Gym (across the street from the Wildcat statue). They will then report directly to the dining hall, where they will be supervised until 7:45 am. Those students wishing to be in the library or design lab or go outside to the quad (weather permitting) may do so beginning at 7:30 am when the faculty supervisor is present. Students may not enter the second floor of the middle school building until 7:45 am, unless they are attending math lab or have an appointment with a teacher.

Students who arrive on campus after 8:00 am must have their parents call the middle school office to announce their child's arrival and the reason for lateness. The student will report to the middle school office and receive a pass to either their advisory or first class. Those students without valid reasons for lateness will receive a tardy.

Dismissal

Students who have siblings at the Lower School may meet their rides in the parking lot north of the football field so that parents do not have to make another loop in the carpool

line. Students should take care when crossing the street by the Wildcat statue. Students may NOT be picked up at the Championship Gym between 3:30 pm and 4:00 pm or in the Upper School student parking lot. Students exiting from these locations may be subject to disciplinary action.

Middle school students who do not have siblings at the lower school must wait in the designated grade-level pick-up area.

6th Grade: Covered area outside the main, middle school carpool line doors

7th Grade: Overhang at the end of the carpool line

8th Grade: Overhang at the end of the carpool line

When the quad is open and supervised, students who are planning to attend Aftercare may be here until 4:00 pm when they must report to the Middle School Aftercare in room, Room 108.

A Note from Dr. Graham

Our kids deserve a round of applause for logging their first full week of school. Collectively in Upper School, we are building momentum and productive habits. And as we move into the heart of the first semester, it's important to remember that things will, from time to time, go wrong or, at least, not according to plan. Kids are bound to make mistakes, and we can help them navigate their mistakes by being flexible and extending grace.

Some highlights from this week included our Honor Code Signing Ceremony on Tuesday, during which every member of our Middle and Upper Schools signed our Honor Code pledge; Our College Counseling team met with senior parents/guardians on Tuesday evening, providing guidance and reminders about the college application process; on Wednesday, we had a popsicle social on the quad during Advisory; and yesterday, our leadership team met with several 9th grade parents and provided an overview of our in-school support system for first-year students.

I look forward to seeing many of you at Back-to-School Night on Wednesday.

Kellen Graham

Head of Upper School

9th Graders & Daily Planners

"Every year, you buy your high school student a shiny new planner. And every year, it is abandoned before October 1st." Does this sound familiar? [Check out this article](#) for some practical tips for getting your teen to buy into a planner habit. Our 9th graders received a planner earlier this week. If you have an Upper School student who needs a planner, contact Paige London, Upper School Learning Specialist.
