

# LIFEWISE ACADEMY

Welcome to LifeWise Academy Wadsworth! We are excited to get to know your students and to begin our study of the Bible together.

We will follow the WCS calendar for snow days and delays. We will not have LifeWise classes on these days.

Students will be driven via shuttle bus/van to Ambassador Baptist Church at 620 Trease Road for their classes. LifeWise will be staffed with qualified teachers who have experience working with and teaching children. Volunteers will help chaperone students to and from the elementary building and help in the classroom. Our bus drivers are highly qualified and have their CDL and passenger certification as well as years of experience as public school bus drivers. Everyone involved in our LifeWise program has been background checked and received child safety training.

Students will not be assigned a grade for their LifeWise class and they will not be asked to complete homework. However, your child will often bring home activities and review materials for you to explore together. We hope these take-home materials spark meaningful conversations in your home.

A newsletter will be emailed home each quarter. It will be full of information and pictures of what your child has been learning at LifeWise each week.

If you have questions, please contact Beth Falkenberg, the LifeWise Wadsworth Program Director, at this email: [bethfalkenberg@lifewise.org](mailto:bethfalkenberg@lifewise.org). We are so excited for the opportunity to serve you by providing your children with Bible based character education for the real world!
