Student Parking Policy:

Students are permitted to park on school district property as a privilege, not a right. Students who drive to school must register their vehicle with the school office. A parking permit must be displayed on the dash of the car at all times. Students will be required to park in the upper lot at all times. Parking fees for 2024-2025 will be $50 per student driver. Any student who drives in a reckless manner or endangers other students in the course of driving their vehicle will have their parking privileges revoked. Students may not park along Vadnais Blvd or in the Manufactured Home Park.

We understand the above rules and agree to follow all student-parking policies.
