As Texan Stadium prepares to host the first home football game of the year this Friday, we would like to remind our parents of stadium rules for our students.

- All spectators in 6th grade or below must be accompanied by a parent, guardian, or adult sibling. Please do not drop off your students to our home football games without an accompanying adult.
- If a spectator leaves the stadium gates they will not be allowed re-entry.
- All student spectators must sit in the stands, regardless of their age/grade, unless accessing restrooms or the concession stand(s).
- The gates between the home side concession stand and the visitor's (band) concession stand will be closed and only those spectators that are making a trip to the concession stands will be allowed to pass through. Spectators will not be allowed to loiter near the hill area or by the doors to the field house.
- Students will not be allowed to bring footballs or other sports balls into Texan Stadium.

These rules come with the desire to maintain a safe environment for all of our spectators and those students participating in game functions at the stadium. In the past, unsafe play at home games has led to potentially dangerous scenarios for other spectators. Thank you for your attention to this matter, and GO TEXANS!

Mientras el Texan Stadium se prepara para albergar el primer partido de fútbol local del año este viernes, nos gustaría recordarles a nuestros padres las reglas del estadio para nuestros estudiantes.

- Todos los espectadores en 6º grado o menos deben estar acompañados por un padre, tutor o hermano adulto. Por favor, no deje a sus estudiantes en nuestros partidos de fútbol en casa sin un adulto acompañante.
- Si un espectador sale de las puertas del estadio, no se le permitirá volver a entrar.
- Todos los estudiantes espectadores deben sentarse en las gradas, independientemente de su edad / grado, a menos que accedan a los baños o al (los) puesto (s) de concesión.
- Las puertas entre el puesto de concesión del lado local y el puesto de concesión del visitante (banda) se cerrarán y solo podrán pasar aquellos espectadores que estén haciendo un viaje a los puestos de concesión. Los espectadores no podrán merodear cerca de la zona de la colina o por las puertas de la casa de campo.
- A los estudiantes no se les permitirá traer balones de fútbol u otros balones deportivos al Estadio Texano.

Estas reglas vienen con el deseo de mantener un ambiente seguro para todos nuestros espectadores y aquellos estudiantes que participan en las funciones del juego en el estadio. En el pasado, el juego inseguro en los partidos en casa ha llevado a escenarios potencialmente peligrosos para otros espectadores. ¡Gracias por su atención a este asunto, y GO TEXANS!
