

# Sun Life welcomes Dental Care Plus Group

## The Sun Life Dental Network® now includes many Dental Care Plus Group (DCPG) providers<sup>1</sup>

Your new Sun Life Dental coverage offers one of the largest dental PPO networks in the Ohio-Kentucky market<sup>2</sup> – that now includes the DCPG dental PPO network.

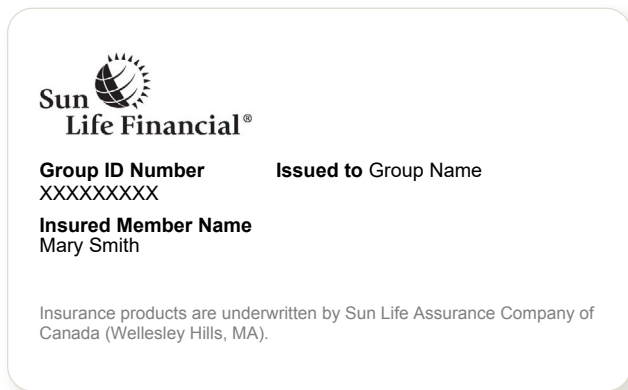

### Easy access to your dental ID card

Your personal dental ID card is easy to access in your Sun Life account. Simply register at [www.sunlife.com/account](http://www.sunlife.com/account) and sign in to download your ID card. Information about your dental plan is available in this portal and you will also access your explanation of benefits (EOB) here. Sun Life also offers the convenience of a mobile app so you can access your dental plan information on the go.

### Finding a dentist

Using our online find-a-dentist search tool, [sunlife.com/findadentist](http://sunlife.com/findadentist), you can search for your current DCPG provider or explore our broad network of providers available in the area. When scheduling an appointment, we recommend verifying the provider currently participates in the Sun Life Dental Network® or an affiliated network such as the DCPG PPO1 network.

### For your Dentist

We offer multiple options for providers to easily verify coverage ahead of your visit. Our new provider portal provides easy access and new capabilities. More information is available at [sunlife.com/providerportalresources](http://sunlife.com/providerportalresources). Providers may also contact our provider services team at 800-442-7742 Monday through Friday between the hours of 8:30 AM to 6:30PM EST.

1. Sun Life’s dental networks include its affiliate, Dental Health Alliance®, L.L.C. (DHA®), and dentists under access arrangements with other dental networks.
