Help, we have run out of space!

The trophy case at the elementary school has run out of space to display athletic trophies and awards earned by the teams while they were enrolled at our elementary school. As a result, the district is following its policy on Awards Disposal by offering them to the public. If you want any of the trophies, awards, or plaques earned at the elementary school between the years of 2005-2017, please contact me at kyeske@aubschools.com. I will hold onto the trophies and awards until the end of September for anyone wanting them. Awards not claimed by that time will be disposed of following district policy 460.1 Retention and Disposal of Awards.
