College Board has found that students who commit early to taking their AP exams have an increase of scoring a 3 or higher. College Board has implemented earlier deadlines for AP exams to be ordered. As a result, we have updated the timelines in which the campus must order AP exams.

AP exams are $99 per exam this school year. To offset the cost of each AP exam, PISD will provide a $20 subsidy for each exam as long as the student is enrolled in the course. If a student qualifies for free and reduced lunch, please speak with your campus AP Coordinator concerning the reduced cost of the AP exam.

Refunds will not be given if you do not show up for your AP exam, nor if you decide to drop the course past the course drop deadline date.

- **Fall** drop deadline (full year and fall semester courses): **Sept 25th**
- **Spring** drop deadline (second semester courses):tentative- **February 14th**

The AP Capstone Seminar and Research exam fee is $147 paid by the district. If a student fails to complete any section of the AP Capstone Seminar or Research exam tasks, the student will be charged the AP exam fee of $147.

If your student is having trouble logging into their College Board account they can call the Student and Parent portal at 888-225-5427.
