Cafeteria News

Dear Parent or Guardian,

For the upcoming 2024-2025 school year, the Whitesboro CSD Food Service department has been approved to continue to operate under the Community Eligibility Provision (CEP), which means all students enrolled within the district can receive breakfast and lunch FREE of charge!

Families with children of the district do not need to fill out a new 2024-2025 household income eligibility form but it is encouraged to do so for accurate State and Federal reporting to ensure correct funding to the district. If interested in submitting a form, please visit our website at www.wboro.org/foodservice in the upcoming weeks for updated information or call the food service office at 315-266-3315. In addition, an application will be mailed out to each household at the start of school and will be available at the main office anytime throughout the school year.

Beyond FREE meals, students will have the option each day to purchase milk, extras, along with a variety of healthy snacks and/or a la carte items available during meal periods. In order to receive any of these additional items, students will need to have money available on their meal accounts or pay cash at the time of purchase. NO CHARGING to the student's meal account will be permitted without sufficient funds available.

For any further questions you may have, please feel free to contact the food service department at 315-266-3315. Thank you and we look forward to a new and exciting school year!

Regular Attendance Key to Success in School

In order to be successful in meeting the high expectations set down by the State Education Department and our local school district for graduation, it is imperative that students come to school on a regular basis and maximize their time in school for learning. **There is a positive correlation between regular attendance at school and academic success.** The business world demands that employees be at work daily and on time. Excessive absenteeism and/or tardiness to work often results in the loss of jobs. Our school has an obligation to expect regular attendance and punctuality to school and class. Students have a responsibility to come to school on a daily basis and to be on time to school and to all of their classes. Parents have a responsibility to see that their children meet these obligations.

The vast majority of student discipline referrals at Whitesboro High School are related to truancies and tardies. Improvements in those areas will allow students to perform better in the classroom. There is a direct correlation between poor student attendance and course failures. We ask for your cooperation. Your child should attend school daily. Whenever possible, medical and dental appointments should be scheduled outside of the school day. Students requiring regular appointments during the school day should have these scheduled as to avoid missing the same class each time. We need to maximize the time we have in school for instructional purposes. All district protocols for attendance remain the same for in-person learning.

Student Drop-Off Areas

Students Drop off areas are located in the student parking lot near the Auditorium and at the end of the North Drive near the faculty parking lot. Signs are posted at both entrances. However, the parking lot does get congested as buses arrive and depart between 7:10- and 7:15 AM and between 2:00 and 2:15 PM.

In the morning, it is important for students to be in class when the 7:30 bell rings to avoid referrals for tardiness. In order to ensure they are on time for class, parents should drop off students no later than 7:25 AM. You are also reminded that the Auditorium doors do close promptly at 7:30 AM and after that time all students must report to the attendance office in the North Drive to sign in and receive a pass to class.

At the end of the school day, buses depart at 2:15. There is congestion between 2:10 and 2:20 as all of our buses and student drivers attempt to exit the parking lots at the same time. Parents are encouraged to wait until after 2:20 to arrive at which time both bus circles are accessible and can be utilized for pickup. Students are free to wait for 10-15 minutes in the Auditorium lobby, Gym lobby, or cafeteria lobby until their parents arrive in these pick up circles.

Remember, passing a school bus while it is loading or unloading in NY State will result in a ticket and fine. All buses are equipped with traffic cameras to protect our students.

Handicapped Accessibility

Whitesboro High School is handicapped accessible. Two elevators are available; one is located at the south side of the high school adjacent to the gymnasium and the other at the north side of the building across from the auditorium. Handicapped parking areas are located in the circle in front of the high school, in the north drive across from the Attendance Office, and in the parking area east of the Attendance Office. All bathrooms in the building are handicapped accessible. Any further questions concerning handicapped accessibility needs should be directed to the school administration.

Late Buses

Late buses are available for those students who stay after regular school hours for remedial help or co-curricular activities Monday - Thursday. There are no late buses on Friday or on a day before a vacation. Students should be under the supervision of a staff member during this time period, from 2:20 to 3:20 p.m., and need to have a late bus pass signed by a staff member in order to be allowed to ride the bus. Student athletes, waiting for their coach to arrive to begin practice, should report to the cafeteria no later than 2:20 p.m. unless they are with another teacher for extra help or at a club meeting. The late bus departs from the High School at 3:20 p.m. and goes to the Middle School to pick up students. There, students may have to transfer to other buses depending on where they live. During the 2023-24 school year, we repeatedly had issues with students who wished to stay after school to socialize with friends or “hang out” on campus. Students should only remain on campus after school if they are meeting with a teacher, club advisor, or coach.

Excuses

When a student has been absent from or tardy to school, the parent or guardian must provide the school with a written note explaining the reason. Students should present this note to their first period teacher the day they return from an absence. Written excuses should indicate the date, the reason for the absence or tardiness, and be signed by the parent or guardian. In cases of repeated or long-term absence, a note from a medical doctor may be required.

Main Entrance

For the safety and security of all members of our educational community, we utilize one main entrance to the high school, located on the north side of the building by the cafeteria. Buses drop off students in the morning on the circle in front of the building and on the north side circle drive. Students and staff may utilize the front doors by the auditorium and the cafeteria doors on the north side to enter the building until 7:30 a.m. After that time, all entrance doors are locked for the remainder of the day except for the entrance door leading to the cafeteria on the north side. Afternoon buses pick up from the same locations as they dropped off students in the morning. The attendance office is located just inside the doors leading to the cafeteria.

All visitors should enter the building through the main entrance located on the north side of the building by the cafeteria. Visitors and handicapped parking areas are designated in a lot off the north circle drive. Visitors are expected to sign in at the Attendance Office where they will receive a guest pass. Upon exiting the building, guests are to again report to the Attendance Office and sign out.

As an additional security measure, we have a second set of doors just beyond the attendance office. Similar to other buildings in the District, this allows our attendance clerk to control access to the building via a buzzer which unlocks the door. We appreciate your cooperation and patience with this procedure.

Dress Code Helps Maintain Quality School Environment

All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students and their parents have the primary responsibility for acceptable student dress and appearance. Teachers and all other district personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting.

A student's dress, grooming and appearance, including hair style/color, jewelry, make-up, and nails, shall:

- A. Be safe, appropriate, and not disrupt or interfere with the educational process.
- B. Recognize that extremely brief garments including but not limited to tube tops, net tops, halter tops, plunging necklines (front and/or back) and see-through garments are not appropriate. (This includes low-cut pants and abbreviated tops which expose the midriff area.)
- C. Ensure that underwear is completely covered with outer clothing.
- D. Include footwear at all times. Footwear that is a safety hazard will not be allowed.
- E. Not include items that are vulgar, obscene, libelous or denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability.
- F. Not promote and/or endorse the use of alcohol, tobacco or illegal drugs, and/or encourage other illegal or violent activities.
- G. Not include the wearing of hats or other headgear in the building during regular school hours except for medical or religious purposes.

If the manner of dress is such that it violates these standards, the student will be asked to change, and, if necessary, be sent home to do so. The student will be responsible for missed work as a result of leaving school. If there is any doubt about the appropriateness of clothing, it should not be worn. If you have any questions, please contact an administrator.

Early Release From School

To be released from school for any reason, a student must bring a parent's or guardian's note on the day he/she needs to be excused. This excuse should be given to the attendance office monitor before first period. A student may not leave the school without prior permission from the attendance monitor and must sign out at the attendance office. Students will only be released to their parent, guardian, or some other adult designated by the parent or guardian. If students drive, they will be released only with the parent's or

guardian's permission. In order to be released due to sickness during the school day, students must report to the school nurse to be evaluated. If, in the nurse's judgment, the student needs to be sent home, the parent will be contacted for permission prior to allowing the student to leave. The student still must sign out from the attendance office.

Thank you for your cooperation in assisting us to provide the best education possible for your child, starting with daily attendance.
