Be  
The Best  
Version  
of you

We are  
all  
unique!

In August, we celebrated our **May** students of the month with a celebratory breakfast. The students received a special treat, a kind word, and a yard sign for their accomplishments. Parents who have a sign, please remember to return them by **September 23, 2024**. All students have now had the introductory lesson to the "Be a Bridge" curriculum and "The Big 5" skills.

In September, one student from each class will be selected to be the "Bridge Builder of the Month". We will host a celebratory breakfast on September 26th for the students where they will receive a kind word, certificate, and a yard sign.
