Thursday, August 29, 2024

Dear North Monterey County High School Families,

We regret to inform you that due to a water line break on campus, the main water supply will be shut off at 4:00 PM today, Thursday, August 29, 2024. While this issue will not impact today's instruction, as classes will continue as scheduled, the campus will need to close after 4:00 PM due to the lack of water.

We understand that this may cause inconvenience, and we sincerely apologize. Please know that our team is working diligently to resolve the issue overnight, and we fully expect to be open tomorrow, Friday, August 30, 2024.

**Please note that all activities on campus will be canceled today, August 29, 2024, starting at 4:00 PM, except for the Flag Football Meet, which will still take place at the stadium as planned.**

For any students who cannot be picked up prior to 4:00 PM, our NEST Staff will be available in the Library/Media Center to provide supervision until they can be picked up, no later than 6:00 PM. Water bottles will be available for any students and staff who need them, and portable bathrooms will also be available on campus.

Thank you for your understanding and cooperation. If you have any questions please feel free to contact our administration at 831-633-5221.

Sincerely,

Marisa Martinez  
Principal of North Monterey County High School
