School Supply Packs

Pickup: August 20 3:00-6:00pm

If you ordered an EPI School Supply Pack from our program in May/June, it will be available to pick up at Ferber on Tuesday, August 20 from 3:00-6:00pm. Any packs not picked up during this time will be delivered to the students' classroom and will be available during Open House.

Family Directory

The PTO will once again be publishing a Ferber Family Directory. All families who want to be included in that directory will need to submit a form with their family's information. The email addresses submitted will also be added to the distribution list we use to send out volunteer signups throughout the school year.

Keep an eye out for the link to the form at the start of the school year!

Join the PTO!

We are looking for multiple volunteers to assist with events throughout the school year. Your involvement and help is what makes the events a success for our students, their families and our school!

If you are interested in assisting in any way, please check out the Ferber PTO Interest Form using the QR Code below or this link:

<https://tinyurl.com/PTO-Interest>

Open Positions

If you are interested in getting involved with the Ferber PTO, we would love your help! Email us or submit the PTO Interest Form linked above.

Below are the open positions for this school year:

Fun Run Co-Chair

Conference Dinners Co-Chair
Bake Sale Co-Chair
Spring Festival Co-Chair
Bingo Night Co-Chair
Kindergarten Sneak-A-Peek Co-Chair
School Supply Packs Co-Chair
Fang's Reading Club Co-Chair

Outdoor Classroom

Thanks to our incredible fundraising efforts and the fantastic backing from our Ferber families over the past 2 years, our goal of building an outdoor classroom is becoming a reality! Plans are finalized and construction is starting soon!

This initiative has been a long-standing wish for the school, and we are thrilled to offer a space for engaging hands-on experiences that can be enjoyed throughout the year.

The outdoor classroom aims to foster a deeper connection with nature and facilitate meaningful exploration of various subjects including science, math, reading, writing, art, and music. It will accommodate up to 30 students and will be disability accessible.
