FLU VACCINE REMINDER

Dear families,

This is a reminder that under the Connecticut immunization regulation, all students attending preschool are required to receive an influenza vaccine each school year between August 1 and December 31. If it will be the child's first time receiving the influenza vaccine, **TWO** doses are required, separated by at least 28 days.

If your child has already received the influenza vaccine(s) this season, please secure a copy of the record and send it to the GES School Nurse by fax, email, or with your child.

If your child has not already received the influenza vaccine, please make an appointment to do so.

Proof of the influenza vaccination is required by January 1 of each year, or your child will be considered non-compliant and unable to attend the Griswold Early Education Program at GES until the School Nurse receives the documentation.

Please contact the GES Health Office with any questions or concerns.

Sincerely,

Sarah McEwen RN
Phone: 860-376-7615
Fax: 860-376-7612
