This designation is effective upon execution and delivery to Service Provider at the address below. I have the right to change the beneficiary. You may only designate one primary and one contingent beneficiary on this form. However, the number of primary or contingent beneficiaries you name is not limited. If you wish to designate more than one primary and/or contingent beneficiary, do not complete the section below. Instead, complete and forward the Beneficiary Designation form.

Participation Agreement

Withdrawal Restrictions - I understand that the Internal Revenue Code (the "Code") and/or my employer's Plan Document may impose restrictions on transfers and/or distributions. I understand that I must contact the Plan Administrator to determine when and/or under what circumstances I am eligible to receive distributions or make transfers.

Investment Options - If I elect to direct my own investments, I understand that by signing and submitting this Participant Enrollment form for processing, I am requesting to have investment options established under the Plan as specified in the Investment Option Information section. I understand and agree that this account is subject to the terms of the Plan Document. I understand and acknowledge that all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I acknowledge that investment option information, including prospectuses, disclosure documents and Fund Profile sheets, have been made available to me and I understand the risks of investing.

I understand if I elect to have my account managed by Empower Advisory Group, LLC, that my entire account, including any transfers or rollovers, will be professionally managed and I have not completed the Investment Option Information section. In the event investment option information is completed, my election to have my account professionally managed will override my investment option elections. Dollar cost averaging and asset allocation are not available if my account is professionally managed. I understand that the applicable fees will be deducted from my account. In order to enroll in the My Total Retirement, I understand that I must provide my date of birth, gender, marital status, state of residence and annual income. If any of this information is not provided, I understand that I will not be enrolled in the My Total Retirement.

Asset Allocation Models - If you select an Asset Allocation Model, your funds will be invested among the investment options as indicated below. In applying models to your particular situation, you should consider all of your assets and all of your spouse's assets, including IRAs, mutual funds and other qualified plans. I understand that the Asset Allocation Models listed below are subject to change, and that my contributions will be invested upon receipt into the most current model that the Plan offers. If an Asset Allocation Model is selected and I have also designated my own investment options, the Asset Allocation Model will supersede my own investment options.

Your account will be rebalanced quarterly so that your account aligns with your selected Asset Allocation Model. Rebalancing does not assure a profit and does not protect against loss in declining markets.

Compliance With Plan Document and/or the Code - I agree that my employer or Plan Administrator may take any action that may be necessary to ensure that my participation in the Plan is in compliance with any applicable requirement of the Plan Document and/or the Code. I understand that the maximum annual limit on contributions is determined under the Plan Document and/or the Code. I understand that it is my responsibility to monitor my total annual contributions to ensure that I do not exceed the amount permitted. If I exceed the contribution limit, I assume sole liability for any tax, penalty, or costs that may be incurred.

Incomplete Forms - I understand that in the event my Participant Enrollment form is incomplete or is not received by Service Provider at the address below prior to the receipt of any deposits, I specifically consent to Service Provider retaining all monies received and allocating them to the default investment option selected by the Plan. If no default investment option is selected, funds will be returned to the payor as required by law. Once an account has been established on my behalf, I understand that I must call the Voice Response System or access the Web site in order to transfer monies from the default investment option. Also, I understand all contributions received after an account is established on my behalf will be applied to the investment options I have most recently selected.

Account Corrections - I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors. Corrections will be made only for errors which I communicate within 90 calendar days of the last calendar quarter. After this 90 days, account information shall be deemed accurate and acceptable to me. If I notify Service Provider of an error after this 90 days, the correction will only be processed from the date of notification forward and not on a retroactive basis.

My Total Retirement Fee - If you elect the My Total Retirement, a quarterly fee will be assessed. If you wish to cancel your enrollment in the future please call your Plan's Voice Response System number.

You could lose money by investing in money market investments. Although they seek to preserve the value of your investment at \$1 or \$10.00 per share (see the prospectus), there is no guarantee they will. An investment in a money market investment is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The money market investment's sponsor has no legal obligation to provide financial support to the portfolio, and you should not expect that the sponsor will provide financial support to the portfolio at any time. ADVISORY SERVICES AGREEMENT

This Agreement describes the terms and conditions applicable to the investment advice and management services (each a "Service" and collectively the "Services") offered by Empower Advisory Group, LLC ("EAG") and described below. EAG is a registered investment adviser and wholly owned subsidiary of Empower Life & Annuity Insurance Company of America ("EAIC"), which provides financial services and products under the brand name "Empower". EAG offers the Services to accounts (each an "Account" and collectively the "Accounts") held by investors participating in employer-sponsored retirement plans (each a "Plan") recordkept through Empower. By using the Services, you consent to be bound by these terms and conditions.

DESCRIPTION OF SERVICES

EAG offers the following two Services to your Account: Online Advice and the Managed Account service. You may receive all or some of the Services as determined by the Plan's sponsor. If you have multiple Accounts held with Empower, you must select which of the Services you will use for each Account.

Online Advice: Online Advice offers fund-specific investment advice to users who wish to manage their own Account but receive assistance in doing so. The investments recommended by Online Advice are based on information drawn from your Account profile and from the investment options available within your Account. You decide whether to implement the advice delivered through Online Advice.

- EAG does not provide advice for, or recommend allocations of, individual stocks (including employer stock, unless your employer instructs EAG otherwise), self-directed brokerage accounts, guaranteed certificate funds, or employer-directed monies, or any other investment options that do not satisfy the methodology requirements of the subadviser who provides investment methodology to EAG.
- EAG is not responsible for any delays or limitations impacting Online Advice that are attributable to restrictions imposed by a third-party investment provider of an investment option within your Account.

Managed Account service: The Managed Account service offers users an investment management service under which investment professionals will select and allocate your Account among the available investment options. You will receive a personalized investment portfolio that reflects your retirement timeframe, life stages and overall financial picture, including, but not limited to, assets held outside your Account (if you elect to provide this information), which may be taken into consideration when determining the allocation of assets in your Account. Changes that you make to your profile, such as outside assets, your intended retirement age or constraining your portfolio to a specific risk level, will generally apply to all your accounts held through Empower. Such changes may cause each managed account, whether managed by an affiliate of Empower or an unaffiliated third-party advisor, to be rebalanced and re-allocated. For taxable accounts, rebalancing or re-allocation transactions will typically have tax implications, as a result we'll send you tax forms for any capital gains and losses associated with the rebalancing activity. Generally, EAG will not provide advice for, recommend allocations of, or manage your outside accounts.

- Under the Managed Account service, EAG has discretionary authority over allocating your assets among the Plan's investment options without your prior approval of each transaction. EAG is not responsible for either the selection or maintenance of the investment options available within your Plan. Further, EAG is not responsible for any delays or limitations impacting the Managed Account service attributable to restrictions imposed by a third-party investment provider of an investment option within your Account.
- EAG does not provide advice for, or recommend allocations of, individual stocks (including employer stock, unless your employer instructs EAG otherwise), self-directed brokerage accounts, guaranteed certificate funds, or employer-directed monies, or any other investment options that do not satisfy the methodology requirements of the subadviser who provides investment methodology to EAG. Your balances in any of these investment options or vehicles may be liquidated, subject to your Plan's and/or investment provider's restrictions.

IN-PLAN TOS 101022

- Account assets subject to the Managed Account service will be monitored, rebalanced and reallocated periodically by EAG, according to the methodology of EAG's subadvisor. You will receive an Account update statement periodically and can update your personal information at any time by calling EAG or by visiting the Plan website.

INFORMATION ABOUT PARTICIPATION IN THE SERVICES

Information Gathered to Provide the Services. You or your employer must provide all data that is necessary for EAG to perform its duties under this Agreement, including but not limited to: your date of birth, income, gender, and state of residence, which EAG may rely upon in providing the services to you. If the data supplied by you or your Plan sponsor, if applicable, does not meet the Managed Account service methodology requirements, we will attempt to contact you for updated information. If this is not completed, your enrollment in the Managed Account service may not be completed or may be terminated. Information that you provide in addition to the recordkeeping data sources, such as linking accounts manually, through account aggregation or linking multiple record-kept Employer plans through OneID/One Password in the Empower Personalized Experience, may all be used by the Services to help personalize your recommendations and projections. Please ensure manually entered assets are not already being included by the Services automatically as this may impact the recommendations and projections. If you participate in My Total Retirement, you will receive a Welcome Kit shortly after enrollment. You will also receive an account update statement periodically, providing you with a detailed analysis of your Account. Your account update statement will also confirm your personal data which is used to provide you with personalized investment management.

You are responsible for reviewing your account statements, transaction confirmations, and advisory services communications carefully for discrepancies or errors. Call your Plan's toll-free customer service number to notify EAG of any incorrect information including, but not limited to, current or future investment allocations, desired retirement age, investment risk level, and outside investment holdings.

You must notify EAG of any errors or discrepancies immediately. EAG is not responsible for corrections related to incorrect data provided by you or your Plan sponsor and is also not responsible for the correction of errors not reported in a timely manner.

Fees Applicable to the Services. Appendix A to this Agreement describes the fees applicable to the Services. You authorize EAG to deduct the billing period fee described in Appendix A. The fees are subject to change. EAG reserves the right to offer discounted fees or other promotional pricing.

Investment Methodology. EAG generates investment recommendations under Online Advice and My Total Retirement using an investment methodology generated by its independent subadvisor (currently, Morningstar Investment Management LLC, herein "Morningstar"). EAG may change its subadvisor at any time. Using its proprietary methodology, Morningstar determines an appropriate asset level portfolio that best suits each user's situation using the investment options available for the Services. Your Account is monitored and rebalanced periodically among the available investment options. EAG will also provide various recommendations and projections for your Account using methodology developed by EAG or its affiliates including, but not limited to, savings rate advice and retirement income projections. The projections or other information generated by this process regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results and are not guarantees of future results. Results may vary with each use and over time.

Additional Fees May Apply. Fees for the Services do not include the fees and expenses charged by the investment options to which your Account will be allocated. For more information about the fees assessed by investment options in your Account, including information about the options' expense ratios and share class, please review your Plan's investment option disclosure documents. Some Plan investment options may also charge redemption fees, which vary in amount and application by each applicable investment option. It is possible that transactions performed through the Services may result in the imposition of a redemption fee on one or more available investment options. Any such redemption fees are deducted from your account balance.

Conflicts of Interest. EAG has several conflicts of interest in providing services to your Account.

- Investment advice and management services. EAG's representatives may recommend that you use the Services for your Account. If you enroll in the Managed Account service, EAG will earn additional compensation, since you will pay fees to use the Service as described in Appendix A.
- Increased fee income. When you use the Services, EAG may recommend you increase contributions to the Plan, or implement other savings or investment strategies. EAG's affiliates provide a bundle of recordkeeping, trust, custody, brokerage, investment and other related services to your Plan and to related IRA products. If you pay for these services through an arrangement where our affiliates charge a direct fee, EAG's affiliates may receive additional fees for these services as a result of EAG's recommendations, because you may contribute, invest, or transact in more assets with EAG's family of companies.
- Proprietary investment funds. EAG's affiliates offer proprietary investment funds, and EAG may recommend or allocate your Account to our affiliates' proprietary investment funds, such as proprietary mutual funds and collective investment trusts. These investment funds generate additional income to EAG's family of companies. For our proprietary investment funds, fees compensate our affiliates for administering, managing, and supervising these funds.
- Proprietary insurance products. EAG's parent company, EAIC, offers proprietary insurance products for investment. EAG may recommend or allocate your Account to different types of EAIC insurance products and funding agreements. Most EAIC insurance products are annuity contracts that are structured either as a "general account" product or as a "separate account" product. If you invest in a general account product, which is an insurance product backed by the general account of an insurance company, EAG's affiliates generate revenue by retaining spread, which is the difference between actual earnings on contracts offered by the insurer, and the crediting rate declared and guaranteed by the insurer through the contract. EAG's affiliates may also receive different types of fee income if you invest in the general account or separate account products, as well as other third-party payments associated with investments held in the separate account.
- Third-Party Payments. EAG's affiliates receive payments from other firms, non-proprietary investment funds or products, or providers, such as revenue sharing payments, in connection with the investments made in your Account pursuant to our recommendation or investment management. For example, a mutual fund available through your Plan may make 12b-1 payments to EAG's affiliated broker-dealer based on your Account investment.
- Representative Compensation. EAG's representatives are generally paid a salary and a variable bonus. The bonus is based on a combination of the performance of Empower, as well as the representative's individual performance. Additionally, EAG has authorized Empower Financial Services, Inc. ("EFSI") and its licensed agents and registered representatives, to solicit, refer and market the Services to Plan sponsors and potential users. EFSI representatives may be compensated in part based on these solicitation activities, in accordance with applicable law.

For additional information about the Services, the methodology used to produce investment and other recommendations, compensation for EAG representatives or EAG's conflicts of interest, please see EAG's Form ADV and information available at www.empower.com.

Cancellation. Once enrolled in the Managed Account service, you will no longer be able to make investment allocation changes to your Account. You may cancel participation in the Managed Account service at any time online or by calling EAG. Once you have opted-out of the Managed Account service, you are responsible for managing your own Account. You will need to initiate your own allocation changes and/or transfers if you wish to change your investment allocations made by the Managed Account service.

Proxy Voting. EAG does not assume the responsibility to provide assistance or vote proxies or other issuer communications regarding your Account, or to exercise voting or other decision-making authority regarding proxies or other issuer communications. Correspondence regarding the matters described in this section will be handled in connection with the Plan's policies and service provider arrangements.

Neither EAG nor your Plan sponsor will be liable to you for any losses resulting from your disclosure of your personal information or your password to third parties even if the purpose of your disclosure is to enable such person to enroll you in or cancel your enrollment in the Services.

You agree to indemnify, defend and hold harmless EAG and its officers, directors, shareholders, parents, subsidiaries, affiliates, employees, consultants, agents and licensors, your employer, the Plan administrator and/or recordkeeper, Plan sponsor, Plan trustees, Plan fiduciaries, their agents, employees, and contractors, as applicable, from and against any and all third party claims, liability, damages and/or costs (including but not limited to reasonable attorneys' fees) arising from your failure to comply with this Agreement, the information you provide us, your infringement of any intellectual property or other right of a third party, or from your violation of applicable law. YOU UNDERSTAND THAT IN NO EVENT WILL THE PLAN SPONSOR, EAG OR ITS OFFICERS, DIRECTORS, SHAREHOLDERS, PARENTS, SUBSIDIARIES, AFFILIATES, EMPLOYEES, CONSULTANTS, AGENTS, LICENSORS OR ANY DATA PROVIDER BE LIABLE FOR ANY CONSEQUENTIAL, PUNITIVE, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES, LOSS OF BUSINESS REVENUE OR LOST PROFITS, WHETHER IN AN ACTION UNDER CONTRACT, NEGLIGENCE OR ANY OTHER THEORY EVEN IF WE ARE ADVISED OF THE POSSIBILITY OF SUCH.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, EAG DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SERVICES, AND ALL INFORMATION DERIVED FROM THEM, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, QUALITY, TIMELINESS, ACCURACY, AND IMPLIED WARRANTIES ARISING FROM COURSE OF PERFORMANCE OR COURSE OF DEALING. COMMUNICATIONS

EAG or its affiliates may provide any communications to you at your mailing address, or your e-mail address provided to us by you. You agree to not make any claims against EAG or its affiliates if you do not receive any communications sent to you. You agree to notify EAG promptly if your mailing address and/or e-mail address changes and to keep all account information, such as your mailing address and/or e-mail address, current and accurate. The website Terms of Service apply to your use of the customer website. You agree to receive electronic communications, including regulatory documents such as EAG's Form ADV Part II, privacy notice and Form CRS, through the Empower website or other electronic media. EAG will not impose any additional charge to you for such electronic communication. You may opt-out of electronic communications by calling your Plan's toll-free customer service number.
