P-Progressing
N-Needs More Time

Characteristics of a Successful Learner	T1	T2	T3
Actively engages in learning			
Cooperates in structured and unstructured settings			
Shows respect for property, self, and others			
Follows written and verbal directions			
Manages time and materials effectively			
Completes assignments			
Effectively listens to speakers			
Verbally communicates information and ideas			
Math			
Numbers and Operations	T1	T2	T3
Understands place value			
Demonstrates understanding of fractions and decimals	N/A		
Operations and Algebraic Thinking	T1	T2	T3
Demonstrates fact fluency for multiplication and division			
Estimates, represents, and solves problems using the four operations			
Effectively communicates mathematical thinking			
Analyzes patterns			
Geometry	T1	T2	T3
Understands concepts of angles and measures angles			
Identifies and categorizes shapes based on their attributes and on their properties			
Measurement and Data	T1	T2	T3
Represents and interprets data	N/A		

Solve problems involving measurement and conversion			
Understands concepts of area, perimeter, and volume	N/A		

RELA (Reading, English, Language Arts)			
Reading			
	T1	T2	T3
Reads grade-level text with accuracy and fluency to support comprehension			
Determines the meaning of words and phrases in grade-level texts			
Applies strategies to analyze literature and informational texts using text evidence			
Uses comprehension skills and strategies to understand literature			
Uses comprehension skills and strategies to understand informational text			
Writing			
	T1	T2	T3
Writes using grade-level appropriate conventions (spelling, grammar, capitalization, and punctuation)			
Writes using organized, well-developed content with sufficient detail and examples			
Writing shows individual expression and creativity			
Social Studies			
	T1	T2	T3
Demonstrates an understanding of grade-level content knowledge in civic, economics, geography, and history		N/A	
Demonstrates the ability to apply critical thinking skills to investigate and interpret grade-level content knowledge		N/A	
Science			
	T1	T2	T3
Demonstrates an understanding of grade level science content	N/A		
Demonstrates the ability to apply the scientific method during investigations and activities	N/A		

Specials			
Art	T1	T2	T3
Uses appropriate communication skills to discuss artwork			
Uses creative thinking and problem-solving skills to develop artwork			
Applies appropriate skills, techniques, and processes to create artwork			

Demonstrates respect for self and others			
Health	T1	T2	T3
Understands concepts related to health and healthy decisions			
Demonstrates healthy communication and decision-making skills			
Demonstrates respect for self and others			
Music	T1	T2	T3
Demonstrates effective skills in reading and writing music			
Applies learned skills when performing music			
Demonstrates respect for self and others			
STEM	T1	T2	T3
Demonstrates respect for self and others
