It is important to note that regular school attendance is essential to the successful completion of any education program. Pennsylvania law states, "A maximum of ten days of cumulative lawful absences verified by parental notification may be permitted during a school year. All absences beyond ten cumulative days will require an excuse from a physician"

Due to possible changes in classroom instruction, we will wait until your child returns from a trip to receive missed work. If you would like to have your child do something academically on their trip, have them keep some sort of diary or reading journal that they might want to share when they return.

Please note, as of _____, by taking this educational trip
