From Pennridge School Board Policy 103

Step 1 – Reporting

A student or third party who believes s/he has been subject to conduct that constitutes a violation of this policy is encouraged to immediately report the incident to the building principal.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal.

If the building principal is the subject of a complaint, the student, third party or employee shall report the incident directly to the Compliance Officer.

The complainant or reporting employee is encouraged to use the report form available from the building principal, but oral complaints shall be acceptable.

Step 2 – Investigation

Upon receiving a complaint of discrimination, the building principal shall immediately notify the Compliance Officer. The Compliance Officer shall authorize the building principal to investigate the complaint unless the building principal is the subject of the complaint or is unable to conduct the investigation.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the incident. The investigator may also evaluate any other information and materials relevant to the investigation.

If the investigation results in a determination that the conduct being investigated may involve a violation of criminal law, the building principal shall inform law enforcement authorities about the incident.

The obligation to conduct this investigation shall not be negated by the fact that a criminal investigation of the incident is pending or has been concluded. The investigation shall be confidential and all parties who participate in the investigation of the complaint shall be advised of the confidentiality of the investigation. The confidentiality of the investigation process includes the result or conclusion reached after the investigation has been completed.

Step 3 – Investigative Report

The building principal shall prepare and submit a written report to the Compliance Officer within fifteen (15) days unless additional time to complete the investigation is required. The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual and whether it is a violation of this policy, and a recommended disposition of the complaint.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition and the continuing obligation to maintain confidentiality.

Step 4 – District Action

If the investigation results in a finding that the complaint is founded and constitutes a violation of this policy, the district shall take prompt, corrective action to ensure that such conduct ceases and will not recur. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant.
Disciplinary actions shall be consistent with the Student Code of Conduct, Board policies and administrative regulations, district procedures, applicable collective bargaining agreements, and state and federal laws.
