Dear 7th and 8th Grade Students and Parents,

It is with great enthusiasm that I am writing this letter to you concerning Penn North Middle School athletic programs. As the summer comes to an end, I would ask that you consider participating in one of our middle school sports programs. Interscholastic athletics can be a rewarding way to help a student meet new friends, build confidence, and foster a sense of self-discipline and personal accomplishment. In order to participate in one of our fall sports programs (football-boys, field hockey- girls, or soccer-boys and girls, cheerleading), a student must have a physical examination prior to the first practice. The physical examination forms to be completed by your physician after June 1st (for all sports) are available on our website or may be picked up in the middle school offices between 7:30 A.M. and 4:00 P.M. Monday through Friday.

A late bus will be provided throughout the week to assist students with their transportation needs. This is not “door to door” service. A drop off point will be established in relative proximity to your home. Our athletic bus leaves North at approximately 5:00 P.M.

Our fall coaches will be having meetings with all interested students during the first week of school. The practice schedule, equipment needs, etc. will be communicated at that time. Game schedules are posted on the school’s website. Games that are cancelled/postponed due to inclement weather, opponent’s circumstances, etc., will be posted on the website.

Fall Sports: August to October - Home games and practices will take place on the fields behind North.

- Soccer.
- Field Hockey
- Football - Home games will take place at Helman Field (the High School field inside the track). Practices will take place at North.

Winter Sports: November – February – practice and home games take place at North

- Girls Basketball (Nov-Dec)
- Boys Basketball (Nov – Jan)
- Wrestling (Jan – Feb)

Spring Sports: April – May

- Lacrosse
- Boys & Girls Track - Home meets are played at PHS track
- Baseball / Softball – practices and home games are played at Deep Run Sports Complex

If you have any further questions regarding the middle school sports program, please do not hesitate to call me at 215-453-6932.

Sincerely,

Mr. Ron Taylor,
North Athletic Director
