

GENERAL INFORMATION

1. SCOPE:

1.1 The Wayne-Finger Lakes BOCES and Component School Districts of the Wayne-Finger Lakes BOCES and/or Agencies require **PAPER: COPY, CARD, COMPUTER, NCR, MISC & ENVELOPES**. The BOCES and School Districts have agreed to form a Cooperative Bid Group as authorized by General Municipal Law Section 119-o. It is the intent of the Cooperative Bid Group (hereinafter referred to as "Participants") to contract with vendor(s) and to establish prices for these items for the stated contract term. Notwithstanding the details presented in the specifications; it being understood that a complete reliable supply of **PAPER: COPY, CARD, COMPUTER, NCR, MISC & ENVELOPES** satisfactory to each user, shall be required in all cases.

1.2 The Participants reserve the right to add to, or remove from, the contract at any time using Organizations, Departments, Agencies and School Districts.

2. AMENDMENTS TO BID:

Any verbal information obtained from, or statements made by representatives of Wayne-Finger Lakes BOCES at the time of examination of the documents or site shall not be construed as, in any way, amending contract documents. Only such corrections or addenda as are used by the BOCES in writing to all Contracts shall become a part of the Contract. Any addendum issued during the time of bidding shall be included in bids and become a part of the Contract Agreement.

3. DESCRIPTION OF BOCES:

3.1 The Board of Cooperative Educational Services (BOCES) was created by New York State legislation in 1948. Today, there are thirty-eight organizations in the State. Each has its own governing board, elected by members of the Boards of Education of the component districts. The primary purpose of the BOCES is to provide services to two or more member districts more effectively and economically than one district could provide alone. Each year, the component districts request the services they want their BOCES to provide in the following year. The various requests for services and programs are assembled into an operating plan along with the associated budget. The State Department is required to approve all services before they can be provided to districts. Legal contracts are drawn up and approved by the district, the individual BOCES and the Commissioner of Education.

3.2 BOCES is an educational agency of the State, and must, therefore, adhere to all laws and regulations of the State of New York, which govern the public schools in the State, as well as regulations controlling the BOCES. BOCES receives most of its money from the member districts. In return, the member districts receive BOCES aid based on their relative wealth and need for the service. The various BOCES operate many programs. Generally, the largest programs are associated with Career & Technical and Special Education.

3.3 Wayne-Finger Lakes BOCES covers a four-county region and supports 25 component school districts. Students served by BOCES are provided instructional programs including Career and Technical education, programs for children with handicapping conditions, and Adult Education.

4. OBLIGATION OF BIDDERS:

At the time of the opening of the bids, each bidder will be presumed to have read and be thoroughly familiar with the contract documents. The failure or omission of any bidder to receive or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to the submitted bid.

5. RESPONSIBILITY OF CONTRACTOR:

The contractor shall be responsible for providing, delivering, and inspecting all materials ordered as a result of this bid. The contractor is responsible for following all instructions as described in this document.

6. BOCES' RESPONSIBILITY:

Although this bid was issued, evaluated, and awarded by the Wayne-Finger Lakes BOCES at the request of itself and participating school districts, BOCES' liability under contract is limited to coordination and BOCES issued purchase orders only. Districts are required to generate their own purchase orders (to the successful vendors) in accordance with the bid provisions and the attached schedule of awards.

7. PARTICIPANTS' RESPONSIBILITY:

Purchase Orders will be issued to the designated vendor(s) by the participating school districts and/or Agencies listed, authorized in accordance with established Municipal Accounting Practices. Those participants are solely responsible in contract for obligations entered into with the vendors.

8. CONTRACT TERM:

The contract resulting from this bid shall remain in effect from September 1, 2024, through November 30, 2024. The contract may be extended for three (3) three (3) month terms upon mutual agreement of the contracting parties.

9. SHORT TERM EXTENSION:

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the BOCES, may be extended unilaterally by the BOCES for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one-month extension), price, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

10. QUANTITIES:

The quantities indicated in the specifications represent estimated total requirements for the contract term. The totals are estimates ONLY and should not be construed to represent either maximum or minimum amounts to be purchased during the contract term.

11. OTHER CONTRACTS:

The Participant(s) reserves the right to purchase goods and services from any avenue legally available by NYS law throughout the duration of any contract resulting from this bid.

12. UNANTICIPATED REQUIREMENTS:

12.1 Every effort has been made to include all items that may be required during the contract term. If, however, items are required which are not listed on the Proposal, the BOCES reserves the right to negotiate with the vendor a mutually agreeable cost for the items not specified to the extent permitted by General Municipal Law Section 103 and other applicable law. Any such items must be approved in writing by the BOCES prior to the contractor providing the items. Upon approval, these items will be added to the contract under the same terms and conditions. The BOCES further reserves the right to obtain these items from other sources if the cost cannot be mutually agreed upon, or if purchase of the items is subject to competitive bidding requirements.

12.2 The BOCES further reserves the right to purchase through the competitive bidding process, unanticipated large volume requirements, whether or not listed on the Proposal, if the BOCES concludes that prices or other considerations will result in terms which will be more favorable to the participants.

13. BIDDER QUALIFICATIONS:

13.1 In order to be considered responsive, a bidder must demonstrate that, immediately upon award of contract, the bidder is capable of meeting the terms and conditions of this contract. By submitting a bid, a bidder acknowledges and accepts the right of the Participants, at their sole discretion, to apply whatever criteria they deem to be reasonable in determining whether or not a bidder has demonstrated its capability of meeting the terms and conditions of this contract.

13.2 In addition to the requirements of the General Conditions, each successful bidder must be able to provide the Participants, upon request, sufficient evidence that the bidder can be reasonably expected to meet the requirements of this contract. Specifically, any bidder must provide evidence of a multi-year track record of having met the needs of customers of the size and complexity of the Participants.

13.3 Each successful bidder must be able to demonstrate the experience, financial stability, personnel, stock, plan capacity and systems requirements to perform this contract. Major criteria to be considered in evaluating these factors are:

1. Demonstration of stocking, warehousing, and ordering capability. Sufficient stock on hand to handle routine quantities of orders.
2. Demonstration of order taking and tracking capability. The bidder must have a system in place to efficiently and correctly handle multiple large orders from separate accounts.
3. Demonstration of delivery capability, i.e., and ability to provide separate delivery to each separate account within the time frames specified.
4. Demonstration of billing systems to insure smooth, correct and efficient billing to as many separate accounts as are established.
5. Demonstrate sufficient sales staff to receive orders and handle problems as on site sales calls to schools as required.

14.2 During the term of the Contract, should BOCES receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, BOCES will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then BOCES shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering

damages, or declaring the Contractor in default.

14.3 BOCES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

15. BID FORMAT:

The bidder shall insert the unit price, the extended price, and any brand, quantity and/or size variance from the specified product on the bid forms enclosed for each item he/she proposes to furnish. Items must be clearly labeled as to item and weight and packaged to assure adequate protection from dirt, moisture or other contaminants.

17.2 The Participants have determined that if manufacturers are listed (model names or numbers used) in the specifications, those listed are preferred. This manufacturer's reference is not intended to be restrictive but descriptive of the type and quality that the Participants' desire to purchase. Bids for similar manufactured items of like quality will be considered if the bid is fully noted with the manufacturer's brand name and model.

17.3 The Bid Committee reserves the right to determine products of equal value. The decision of the Bid Committee will be final as to acceptable alternates. Vendors will not be allowed to make unauthorized substitutions after award is made.

17.4 If the item or items called for in these specifications are delivered and fail to meet specifications in any respect, the bidder will be notified, and he will arrange for their removal from the Participant's property at no expense to the Participant. If successful bidder fails to remove the items, which, in the opinion of the Bid Committee, do not meet specifications, the Participant will arrange to have such items removed and any expense connected therewith will be the responsibility of the successful bidder.

26. DISCREPANCY:

In the event of any discrepancy, disagreement or ambiguity among the documents which comprise this Bid and the Vendor's Bid, the documents shall be given preference in the following order to interpret and to resolve such discrepancy, disagreement or ambiguity; 1) the Bid Document; 2) the Vendor's proposal or bid.

31. ORDER OF PRECEDENCE:

Should a contradiction appear within this bid document, the following order of precedence shall prevail:

1. Bid Terms and Conditions

EVALUATION & AWARD DETERMINATION

1. LOW BID DETERMINATION:

1.1 Method of Award: The contract will be awarded by the Participants by group or in total to the lowest responsive and responsible bidder(s) meeting all of the specifications. The Participants further reserve the right to reject any or all bids if deemed to be in the best interest of the Participants.

1.2 The Participants reserve the right to factor in the administrative costs of making multiple awards, issuing multiple orders, and dealing with multiple vendors in calculating which bids actually result in the lowest overall costs to the Participant. For example, the Participants reserve the right to consolidate awards and not necessarily award to what appears to be a low bid when administrative costs actually make it more costly to the Participants to award solely on the basis of the bid received.

1.3 No Bid Items: If bidder(s) does not submit a bid for a specific item, the highest bid price received for that item will be added to total bid to obtain equivalent totals. Low bid will be determined by the equivalent total.

1.4 Award of Bid: The award will be made within forty-five (45) days after the opening of bids.

2. TIEBREAKING:

2.1 In the event that BOCES receives two or more low responsive and responsible tie bids for a solicitation, BOCES shall use the recognized "lottery method" to break the tie bid to determine the awardee. Supplier early payment discounts shall not be used in determining the low bidder.

2.2 All bidders that participated in the solicitation shall be notified by email of the tie bid and shall be invited to publicly witness the breaking of the tie bid in the BOCES Business Office. Those bidders shall be asked to respond back, via email, to the agency regarding their intention to witness this event.

2.3 The "lottery method" is based on a random selection drawing of a name from the pool of tie bidders. Pieces of paper (buyer's business card, etc.) with one tie bidder's name per piece of paper shall be put into a container and either the buyer or another designated agency staff member will draw one lot with the winning tie bidder's name. At least two BOCES' staff members shall be required to witness this lottery drawing.

POST AWARD CONTRACT PROCESS

1. PRODUCT SUPPLIED:

- a. Paper: Copy, Card, Computer, NCR, Misc. & Envelopes: The items specified are readily available in the marketplace. Therefore, in order to ensure consistency of quality of most popular item on this bid, **a one (1) case sample of item #2 is required to be considered for award.** Failure to provide the required sample with the bid packet shall make the vendor's bid not responsive and therefore may not be considered for award. Samples submitted will be tested in BOCES Print Shop machines. Samples must work in all print shop machines, failure to do so constitute a product failure rating and vendor will not be considered for award.
- b. The Wayne-Finger Lakes BOCES Cooperative Bid Group reserves the right to accept bids for substitute items of equal quality in its sole discretion. When a vendor bids a substitute for a specified product, the vendor must provide a sample of the item at the time of the bid submission. The decision of the Bid Committee will be final as to acceptable alternates.

1.2 Samples of all substitute items must be supplied with the bid or be available to the Bid Committee within forty-eight (48) hours of request.

1.3 In addition, during the term of the contract, the Participants reserve the right to delete item(s) or add comparable item(s) to the list, at prices to be negotiated with the contractor.

4. USAGE REPORTS:

Each contractor must provide, upon request of the Participant(s), a complete listing of all items delivered to the Participant(s) during the contract term.
