Preschool Screening 2024-2025

We offer screenings for children ages three to five living within the Woodstock Community Unit School District 200 boundaries. The screening dates will be scheduled throughout the year at Verda Dierzen Early Learning Center. The screening information is used to determine possible eligibility for the D200 grant-funded preschool programs. If you are interested in VDELC's tuition preschool program a screening is highly recommended but not required.

The screening data provides information in the areas of a child's communication, gross motor, fine motor, problem-solving, and personal-social skills. A free hearing and vision screening will be completed at a later date.
