Becca's Closet - A huge thank-you to Izzy Christiansen and Rylee Marshall for their leadership in Becca's Closet and for helping to turn it into Midland High's newest club! Also, a Chemic salute to all the members of the Becca's Closet Club who have already given their time to help get things ready for our first Homecoming season open house!

Athletic Training Staff - All the athletic teams want to give a massive shout-out to our amazing athletic trainers Mary Miller, Amy Metiva, Bobby Goerge, Stephanie Tulgetske, Soraya Taylor and Lindsey Zambon for the countless hours, energy, and advice that they've given to our teams already this year!

Counseling Staff - Thanks go out to Mrs. Kirkman, Mrs. Lampi, Mr. Williams, and Ms. Stepaniak for all the effort they've put in with student scheduling! There are a LOT of moving parts to scheduling nearly 1200 students into classes and our counseling staff does a great job of keeping it all together.

POSITIVE THINKING

Note to Self:

Write yourself kind notes and hide them in different places. Put one in your backpack, one in your wallet, one under your pillow, or one in a notebook. Ensure that each note is encouraging and inspiring, motivating you to keep going. Do this every few weeks so that you have notes hidden in all kinds of places. When you stumble upon one, open it up, soak in the words of kindness, and pin it to your bulletin board, refrigerator or in your locker. Reading kind notes to yourself can boost your mood during those difficult days. Bonus: think how someone else would feel if they found one of these kinds of notes that you wrote.
