

STILLWATER SCHOOL NEWSLETTER

APRIL 23, 2021

IMPORTANT DATES AND REMINDERS:

Remote Learner 4-6 Material Pick Up: 4/30 12:00-2:00 at the end of the 6th grade hallway

Remote Learner K-3 Material Pick Up: 5/7 12:00-2:00 at the end of the 6th grade hallway

Board of Education Meeting: April 26th at 7pm. Check school website, under Stillwater School Announcements, for more information.

Sixth Grade Move Up Day: May 17th

Morning Drop Off Procedures:

As the weather turns colder, we typically have more students being driven to school in the morning and temperature checks take a little longer some days. Please help us expedite this procedure by turning down your heat and saying your goodbyes while waiting in line as opposed to exiting your vehicle once stopped. For your child's safety, please remind him/her to go directly into the building once they are out of the vehicle. Please be patient while we follow these new procedures and work to ensure the safety of all students at school.

Attendance: If your child will be absent for either in person learning or remote learning, please call the attendance line at **973-383-3227**. It is imperative that you report your child absent prior to the start of the school day if they are unable to participate in remote learning due to illness or other reason. Those students who are not called in absent will be expected to complete their remote learning assignments. A failure to do so will be reflected in their marking period grades.

If your child is absent from their in person cohort, they will be marked absent. If they are able to complete work remotely, the work will be considered as their make up work for the day but the absence will still be marked.

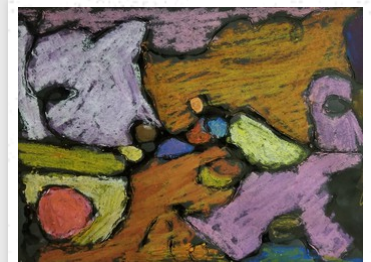

PRESCHOOL REGISTRATION IS NOW OPEN. FREE TO ALL STILLWATER RESIDENTS! PLEASE CONTACT MRS. BERGER FOR MORE INFORMATION 973-383-3998

ART NEWS:

Multiple grade levels recently completed an art activity called 'Non-objective Abstract Design,' in various media techniques. We began with a discussion on the differences between Realistic Art, where the subject looks real, and Abstract Art, the artist's interpretation of the subject. Non-objective Abstract Art does not have a subject, the artist is simply playing with the Elements of Design: Line, Shape, Color, Form, Texture, Value & Space.

Student work: Non-objective Abstract Design, Value in Color, created by Savannah Norman, 5th grade. Oil pastel on white paper.

Student work: Non-objective Abstract Design, Color Mixing & Texture, created by Libby Ptorich, 1st grade. Oil pastel & liquid glue on black construction paper.

PHYS. ED. AND HEALTH NEWS:

This is Mr. Tiberi, your health and physical education teacher. It has been a great two week start here at Stillwater. It has been a pleasure getting to know everyone. In physical education we have learned a new warm-up routine and a new way to play rock, paper, scissors. We have gone over traveling skills, played rock, paper, scissors baseball, and learned a new way to play kickball. Miss. Radimer's physical education classes got to play wiffle ball and learned a new tag game.

In health class the students got to be creative and create a comic about them. We are currently going over health topics like safety, community health, and consumer health. Miss Radimer is covering lungs/breathing and exercise/injuries. Miss Radimer and I are looking forward to making the rest of the year great and fun filled.

Health and Activity Tip:

Try to be active when you can. Move more. Try to get between 30 and 60 minutes of physical activity each day. Short sessions of movement throughout the day add up.

HIDDEN IN PLAIN SIGHT PRESENTATION:

Hidden in Plain Sight will be featured virtually on Tuesday, April 27, 2021 at 7:00 pm. Presented by the Coalition for Healthy and Safe Communities, this presentation is suitable for parents and other adult community members who work with or care about young people to prevent youth drug misuse.

Did you recently find a vape in your child's pocket or read a text about pods or puff bars and wondered what that's about? Seemingly "innocent" items commonly used by youth could actually indicate a substance use problem. This awareness presentation will allow adults to

be more proactive in helping a young person who might be using alcohol or other drugs. Hear from prevention specialists and law enforcement including Captain Seamus Geddis, Drug Recognition Expert and Sussex County Prosecutor Francis A. Koch, about local drug trends, how to prevent youth substance use disorders and understand resources available to help keep youth healthy.

Would you be able to recognize signs of use and intervene before they become impossible to ignore? This "Hidden in Plain Sight" presentation will equip parents and community members with the knowledge to look past the obvious and become aware of the signs and symptoms of drug misuse. This program is provided by the County of Sussex and Sussex County Municipal Alliances. For more information please contact Tina at CFPC at 908-747-1152 or email tina@centerforprevention.org; **PREREGISTRATION IS REQUIRED. ADULT PARTICIATION ONLY.**

March 24th, 2021 7:00pm-8:15pm

Hidden in Plain Sight

This virtual presentation provides parents, grandparents, caregivers, teachers and other adults an opportunity to explore a teenager's bedroom to see and identify drug paraphernalia, hiding places and other signs that may indicate alcohol or other drug use by a teen.

Throughout the event, prevention specialists and local law enforcement explain various Sussex County substance use trends, signs, symptoms and lingo in an effort to raise awareness about substance use and provide resources for parents and community members to help keep youth healthy and drug-free.

THE SUSSEX COUNTY HEALTH DEPARTMENT NEWS:

Mental health services during COVID. If you or someone you know is having difficulty, please give them a call.

The Rutgers University Behavioral Health Care Covid Connect program will provide and expand behavioral health treatments and supports to individuals who are experiencing mental health and substance abuse issues related to the spread of the Covid-19 virus. A series of screening tools will be used to assess the caller's mental health/addiction needs. University Behavioral

Health Care will provide a warm handoff to licensed treatment providers throughout the state that offer Telehealth services. To ensure successful service linkage, our staff will follow up with you. Call us today at (833) 223 - 0011
