SECOND GRADE NEWS:

Exciting news in second grade...

The students will be attending a live virtual meeting with the author, Mo Willems this Tuesday! Stillwater second graders will join several schools around the country in listening to the expertise of writing from this famous author. Our second graders will then begin their final unit of writing, called "Series." This will focus on using the same character in several original fictional stories. Just like Mo Willems' lovable characters Gerald and Piggy, second graders will be creating a fun character to use in their own series writings. We look forward to sharing our creative writing with you!

RECYCLING NEWS:

TREX Plastic Film Recycling Challenge

Our student recycling group, *The Cafeteria Connection*, is excited to announce that we recycled 496 pounds of plastic film during this challenge! Thank you to everyone who helped with this effort from November through April 15th - we are amazed at what we accomplished! A special thank you to our recycling volunteers who picked up the plastic film weekly and delivered it to Weis - we appreciate you! We plan to continue recycling for the remainder of this year and intend to sign up for the contest again next year. So keep recycling your plastic film all summer long to give us a jumpstart in September!

Mrs. Makarevich and Mrs. Mahedy

Here is the message we received from the TREX Company recently:

Thank you for participating in the Trex Plastic Film Recycling Challenge for the 2021-2022 school year! We are so thrilled with this year's numbers and want your students to know how much we appreciate all of their efforts. With your hard work we were able to keep a total of 323,586lbs of plastic out of the landfills! There were 686 schools registered across the US with a total of 530 schools actively reporting. Each participating school will be sent an award over the next couple of weeks.

LLD NEWS:

We hope everyone feels refreshed after Spring Break and energized to finish the remainder of the school year. Spring is finally here and we are so excited to enjoy the sunshine and warm weather! The students are having fun adding and subtracting double-digit numbers, multiplying, dividing, and graphing during math. Students are working on perfecting their letter writing skills and how to appropriately address an envelope! We are looking forward to all the fun activities at the end of the school year. Happy Teacher Appreciation Week!

MUSIC NEWS:

First, a huge congratulations to all of the students who performed in this year's spring concert: Music is a Treat! It sure was a treat to hear such wonderful songs. Instruments played and students sang putting on a fantastic performance. Job well done! Thank you to everyone who was able to join us. Coming up this weekend at Kittatinny is the Junior High production of The Little Mermaid Junior. Many of our Stillwater students auditioned for ensemble roles and will be participating! If you have the chance to go see the musical, it's one you won't want to miss. Congratulations to all the Stillwater students performing and good luck!

Last, third graders will begin signing up to be in the beginning band for next year. Information packets will be sent home and available on my teacher's webpage, as well as the third-grade music google classroom within the next two weeks. If your child is interested in learning an

instrument in fourth grade, keep an eye out for the sign-up sheets and return them in June. Again, congratulations to everyone on the great performances from this week!

THE NEWTON SHARKS SWIM TEAM IS LOOKING FORWARD TO SWIMMING IN THE SUMMER OF 2022!

In our 44th year, the Newton Pool, our home, is beautifully repaired and is up and running and ready for our return!

Since its inaugural year in 1976, The Newton Sharks Swim Team has been a member of the Wallkill Valley Swim Conference, a summer recreational program committed to the development of the enjoyment of swimming.

The Newton Sharks was the only pool team in the WVSC until 2004. Now, we are the only *outdoor* pool team in the league.

The Newton Sharks range in age from 5 to 18 and hail from many towns and communities in Sussex County, New Jersey - Newton, Andover, Green, Sparta, Stillwater, Stanhope, Lafayette, Sussex, Wantage - among others.

Our team unofficially serves as a feeder program to the state qualifying Newton Lenape Valley High School team coached by Jess Jacobellis, who began her own swim career at the age of four with the Lake Tranquility Thunderbolts, also a WVSC team.

Over the course of the average season, our Sharks compete in 8 meets – both pools and lakes – and compete in both an invitational and championship all during the month of July. It's endless swimming and fun, so much so that it feels like it's not a summer to our swimmers and their families, without The Newton Sharks!
