TREP\$ MARKETPLACE NEWS:

The TREP\$ 6th grade students invite the Stillwater community to come out and support them in launching their new businesses. The TREP\$ Marketplace will take place on **April 5, 2022 from 6:30 to 8:00 pm in the Stillwater School Gym.**

Stillwater School's 6th graders have been busy learning all of the aspects about building a business. They have taken this information home to their families and worked to apply their newly learned skills to build their businesses. Come see what fascinating businesses have been created! Don't forget to bring **CASH** to purchase the wonderful products our young entrepreneurs have been busy creating! Students will only have the opportunity to have purchases made with **CASH**.

Friday, April 8 - Wear your Blue Stillwater Shirts for "Go Blue Day" to bring recognition to April's National Child Abuse Prevention Month and the CASA (Court Appointed Special Advocates for

Children) Non-Profit Organization. To learn more about the CASA and the "Go Blue Day" event, please visit <https://www.casamsc.org>

KINDERGARTEN NEWS:

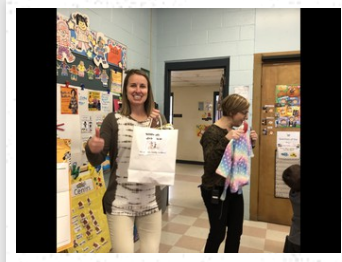

The kindergarten classes have been having fun with St. Patrick's Day and spring activities. We have been working very hard in Writer's Workshop, writing "How To" books explaining how to do something. We learned we need to write the steps in order, with pictures to match. We are writing 3-4 page booklets and sharing them when we are finished! The next unit in writing will be called, "All About" books. For this unit, students will be writing about something they know a lot about. Writing has been fun! In math, we are working on finding patterns on a 100 chart and counting numbers to 100. We will be so happy when spring is here to stay!

PRESCHOOL NEWS:

Mrs. Pierson's Preschool class has just completed their Clothes Study. They spent extra time with this study because of their interest and enthusiasm for running their clothing store. The children came up with a variety of names for their store and then the class voted for their favorite name. The winning name was Stillwater Style Stop. Preschoolers' families donated clothing to be used as wares in our store. The children hung up and priced all of the items. Store signs and shopping bags were decorated. The children learned how to write store receipts, use the cash register, greet and assist customers, fold clothes and put customers' purchases in bags. Counting money and making change was other skills that the children worked on. All of the children had the opportunity to work in the store and also be a customer. Special visitors like, Mrs. Cramer, Mrs. Roberts, Mrs. Newman, Mrs. Green, and Mrs. Earley also enjoyed shopping at Stillwater Style Stop. A commercial was made advertising their clothing store. During the commercial, the children came up with the following slogan, "Stillwater Style Stop, for all your family fashions". A fun learning experience was had by all!

Mrs. Pierson's class has joined the other preschool classes with their study of Pets. The children love sharing stories about their own pets along with learning about the pets of their friends. The veterinary clinics in the classrooms have provided opportunities for creativity, imagination, and hands-on learning experiences. The children are enjoying the stories, songs, and crafts introduced in this study. During this study, Rizzo's Wildlife will visit Stillwater School and increase the students' appreciation of animals. The preschool Pet Study will also be enriched by a visit from a veterinarian.

The children are excited about the upcoming egg hunt and all of the fun activities the spring has to offer. Happy Spring!

FIRST GRADE NEWS:

It has been a light and sound show in first grade! The children have had fun learning about how sound is made through vibrations. They practiced being a sound effects artist by using their hands and feet to create a rainstorm. For light, they learned how it travels through various materials. They can explain the difference between transparent, translucent, and opaque. The children created a stained glass flower to represent a translucent object. Stop by the first-grade classroom to see the beautiful light.

FAMILY MATH NEWS:

We had another fun-filled night of Family Math! Parents and children worked together doing Handprint Area, Handfuls, Metric Measure, Toothpick Puzzles, 2000 Star, Rainbow Logic, and Calculator Paths. Congratulations to Ella Pietrodangelo who won the estimation jar of jelly beans. Our last class will be held Tuesday, April 5th.

STILLWATER STUDENT COUNCIL HAS DECIDED TO HOLD A READ-A-THON!

Read-a-thons actually get your reader excited about reading and it gives friends and family the opportunity to encourage your child to read even more.

Our Read-a-thon starts Monday April 4, 2022.

We will send home instructions on how to activate your reader's personal page. This is where you will be able to view and record their progress.

We encourage you to activate your reader's account today by clicking on <https://www.read-a-thon.com/readers/r/FKSJWV/1> and following the simple instructions.

We've chosen Read-a-thon because it will not take much of your time, gives your child a reason to read and helps in the development of stronger reading skills.

We hope EVERYONE participates.

Thanks so much,

Stillwater Township Student Council
