FOURTH GRADE NEWS

Fourth Grade English Language Arts and Social Studies Update

In fourth grade, students have been very excited about starting our opinion writing unit! There are so many great topics to explore and debate! We've also begun reading our next novel,

Number the Stars. This fictional text is set during World War II in Denmark, and the students have really enjoyed discovering more about this important period in history. In Social Studies, we have been focusing on New Jersey geography, culture, and history. It has been a busy and exciting spring in Fourth Grade!

FIFTH GRADE NEWS

5th grade students have started their Book Clubs reading unit. Book clubs engage students to be readers. They thrive on positive peer energy and challenge themselves to read more and discuss more about their books. In our 5th grade book clubs, students will be working together to make sense of text by using the skills they have learned throughout the year.

Last week, students chose a book they were interested in reading and then created Book Clubs. This week, students will be focusing on creating a unique identity in their book club. They will create a club name, banners, flags, or mascots, and goals. Finally, students will get started reading in their clubs and discussing the novels as they read.

SIXTH GRADE NEWS

Every year the 6th grade Stillwater Students participate in the Jeffrey Stevenson Memorial Day Essay Contest. Jeffrey was a graduate of Stillwater School and served his country in Iraq from 2007-2008. After graduating from Kittatinny Highschool in 2007- he entered the US Marine Corp to serve his country. The essay the 6th graders are tasked with writing is titled, " What Memorial Day Means to Me". After all submissions have been collected, a first and second place winner are announced and will receive checks in the amount of \$50.00 to first place and \$25.00 to 2nd place. They will also have the honor of speaking at the Memorial Day Service held on May 29, 2023 at 10:00am, at Veterans Memorial Park in Stillwater. This service is open to the public and happens rain or shine. Good luck to all of our 6th graders entering the contest!

All children have unique strength and talents and require opportunities to learn, grow and be challenged to strive for excellence. However, some children have intellectual skills and abilities that significantly differ in degree and dimension from their chronological peers, and require the challenge of a differentiated curriculum in order to maximize their potential. Curriculum for gifted and talented students is designed to challenge academically advanced learners and provide experiences that require critical thinking, problem solving and creativity.

In the Kittatinny Regional Consortium, identification procedures have been developed and implemented based upon the local school population as per NJ educational code. As students transition into KRHS, their chronological peer group shifts and may result in changes in students' eligibility status for gifted education services.

Multiple criteria are used in the confidential identification process for consideration for Kaleidoscope including, but not limited to:

- Learning and social characteristics evaluations from teachers
- Previously administered cognitive abilities assessments
- Results of an in-person Screening Assessment composed performance assessments in critical thinking, creative thinking and reasoning skills offered at KRHS on **May 13** or **May 20**
- Written answers to Student Response Questions, found on the Kaleidoscope website, due by **May 24**
- The Family Information Form provides additional insight into students, found on the Kaleidoscope website, due by **May 24**

A MUSICAL IN ONE WEEK JUNE 26 - June 30

**MONDAY 6/26 THROUGH THURSDAY 6/29: CAMP 8:30 am to 11:30 AM
FRIDAY 6/30 IS SHOW DAY! CAMP 8:30 am - 3:00 pm, SHOW TIME at 3:30 PM**

Your child will be instructed by the directors of the Kittatinny Players. We provide small group instruction with directors for scene breakdowns and back stage management. Our goal is to put on a full musical in one week! Kids will not only be onstage but we need people to run our backstage technology as well. Campers' roles and involvement vary as with any musical but our goal is to spread the wealth and make sure everyone gets the stage, or back stage time they need. Once we understand the amount of people involved this year, we will decide on a show and announce it the first day of camp! Campers will have access to bottled water provided by the camp at all times. Snack time is provided but snacks are not supplied. Lunch, however, will be provided on Friday, which will consist of beverage, pizza, chips and dessert.

Each camper will also receive a camp t-shirt.
