MUSIC NEWS

The last few months in Music Class we have been preparing for our Spring Concert on May 16th at 7pm! The groups performing in this concert are; Beginner and Advanced Band, Select Choir, 5th Grade Choir and 3rd Grade Recorders! The students have been working so hard to prepare for this concert and are very excited to share their music with all of you!

Both kindergarten and first grade have been working on reading and performing rhythms, both individually and as a group. The first graders have even become composers, writing their very own 8 beat compositions! Second grade is finishing up our unit on Carnival of the Animals by Camile Saint-Saens, exploring how different instruments can be used to imitate various animals.

The fourth grade has also been learning and practicing Curwen Solfege Hand Signs and Syllables, exploring different ways music can be described, shared and performed.

Please join us at our concert on May 16th at 7pm in the gym for our Spring Concert, and if you have any questions please email Miss O'Brien!

SECOND GRADE NEWS

Second graders are poets and we know it! The children have been working on a three week study of poetry. Students are learning to look at the world through "poet's eyes". Second graders are using comparisons, adding line breaks, using repetition and rhyme, and finding the big feeling in small moments. This makes poetry so wonderful! The children have used their writing skills to fill their poetry journals with original and well known poetry! We will conclude this unit on Friday by hanging our poetry around the school! We are so proud of our brave and motivated writers!

All children have unique strength and talents and require opportunities to learn, grow and be challenged to strive for excellence. However, some children have intellectual skills and abilities that significantly differ in degree and dimension from their chronological peers, and require the challenge of a differentiated curriculum in order to maximize their potential. Curriculum for gifted and talented students is designed to challenge academically advanced learners and provide experiences that require critical thinking, problem solving and creativity.

In the Kittatinny Regional Consortium, identification procedures have been developed and implemented based upon the local school population as per NJ educational code. As students transition into KRHS, their chronological peer group shifts and may result in changes in students' eligibility status for gifted education services.

Multiple criteria are used in the confidential identification process for consideration for Kaleidoscope including, but not limited to:

- Learning and social characteristics evaluations from teachers
- Previously administered cognitive abilities assessments
- Results of an in-person Screening Assessment composed performance assessments in critical thinking, creative thinking and reasoning skills offered at KRHS on **May 13** or **May 20**
- Written answers to Student Response Questions, found on the Kaleidoscope website, due by **May 24**
- The Family Information Form provides additional insight into students, found on the Kaleidoscope website, due by **May 24**

A MUSICAL IN ONE WEEK JUNE 26 - June 30

Your child will be instructed by the directors of the Kittatinny Players. We provide small group instruction with directors for scene breakdowns and back stage management. Our goal is to put on a full musical in one week! Kids will not only be onstage but we need people to run our backstage technology as well. Campers' roles and involvement vary as with any musical but our goal is to spread the wealth and make sure everyone gets the stage, or back stage time they need. Once we understand the amount of people involved this year, we will decide on a show and announce it the first day of camp! Campers will have access to bottled water provided by the camp at all times. Snack time is provided but snacks are not supplied. Lunch, however, will be provided on Friday, which will consist of beverage, pizza, chips and dessert.

Each camper will also receive a camp t-shirt.
