## **SECOND GRADE NEWS**

Second graders are understanding and getting into bigger books now. It's our advice to encourage your second grader to read aloud in their head, read bigger books, discuss the characters and problems in their stories and keep continuing to fill out their nightly reading logs. We also celebrated Read Across America week and students sent in pictures of themselves reading at home in their favorite reading spots. Keep up the amazing work readers!

Ms. Jennifer Gryzeski

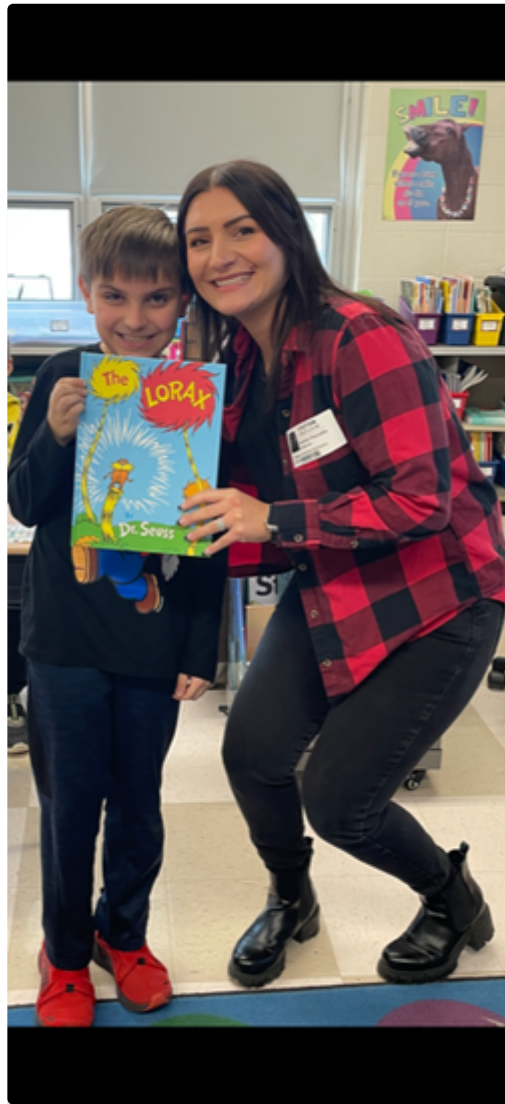

## SECOND GRADE NEWS

"These things are fun and fun is good!" -Dr. Seuss

Well, Stillwater School sure had fun celebrating Read Across America Week! We began the week with a special, school-wide read aloud from Mrs. Cramer! Students also had fun sharing their love of reading with various activities in their classrooms, which were displayed on bulletin boards throughout the school. Also, students shared their love of reading with our themed dress up spirit days! Read Across America Day, March 2nd, was made extra special with community guest readers sharing about their role in the community and reading to the classes, an NJEA PRIDE sponsored event. Lastly, we concluded our week of fun on Friday with a school-wide "Drop Everything and Read" time!

Mrs. Bird

## THIRD GRADE NEWS

In math, third graders are currently working on finding the area of rectangles. We just finished up a math craft in which students applied their knowledge of area and incorporated their own creativity and design. See bulletin board picture below. We also continue to work on our fact fluency. This month students were introduced to some new online math platforms to help them practice their fact fluency. All online websites and resources can be found on Mrs. Phlegar's Math Google Classroom web page.

In science, students are wrapping up our Balancing Forces Unit. Students learned all about forces- including gravity, magnetic force and balanced vs. unbalanced forces. They participated in hands-on labs and authentic assessments where they applied their knowledge to a real-life like scenario.

## THIRD GRADE FAMILY MATH

Families taking the 3rd grade Family Math Class enjoyed the Pentasquares and “How Close Can you Get” card game. Warm up activities included a “What’s the Value of Your Name” graph, a height activity, geoboards and clock activities. Congratulations to Libby Prtorich who won the Cheez-it crackers estimation jar. We will meet again on Monday evening of next week.

Mrs. Johnson

## FIFTH GRADE NEWS

This week, 5th grade Language Arts students finished reading a fantastic novel, Maniac Magee by Jerry Spinelli. The students loved reading and following along with the life of Jeffery (Maniac) Magee in class. This novel touched on important themes like family, racism and courage.

In Social Studies, students are continuing to learn about the Revolutionary War. They have learned about the causes of the American Revolution. We read the novel, I Survived the American Revolution 1776 to understand the war through the eyes of an eleven year old boy. Students made the connections in the stories to the facts they learned in their Social Studies books. Next, they will explore the different battles and learn about the formation of the new American government.

Mrs. Robinson

## SIXTH GRADE NEWS

In 6th grade, students love learning about history! When they aren't studying the past, they are researching the events that are happening in our world in real time. Current events are a great way for our kids to stay informed about what is going on in the world. Every few weeks, students use one of the designated sites to search for a current event that they are interested in. They then complete the research sheet, and turn their information into their very own Google slide. These slides include colorful images, interesting captions, and links to videos that give the audience further information on the topic. The students have really enjoyed sharing these with their classmates on our presentation days. Even the most reluctant speakers in class, now get up willingly to share their findings with their classmates. There is something special about these days when the students are in the driver's seat of their learning. They even get a chance to teach their teacher a few things in the process! Keep up the great job, 6th graders!

Mrs. Steffens

## **YEARBOOK NEWS**

Attention 6th Grade Students and Families!

We are in the final stages of preparing the yearbook for submission. There are still quite a few students that have either not submitted a baby picture or are still missing their yearbook biography submissions. We will be reaching out to the homerooms this week to remind students to submit their picture and biography!

Mrs. Riva and Mrs. Earley

## **YEARBOOK SALES**

Our yearbook sale has begun! What better way to remember the 2022-2023 school year than by purchasing a yearbook. The cost this year is \$24! There are two ways you can order. Stillwater Township PTA  
904 Stillwater Road  
PO Box 12  
Stillwater, NJ 07875

Dear Friends,

Stillwater Township PTA is a non-profit serving about 300 children in preschool through sixth grade. Stillwater is in a rural community in Sussex County and our residents are involved in our schools, sports, and community organizations. The Stillwater Township PTA works closely with the school to help with purchases of books and support materials for the classrooms, special programs and/or supplies for those programs, underwrite many school assemblies and much more. The PTA's mission is to make every child's potential a reality is through engaging and empowering families and communities to advocate for all children.

Our Tricky Tray is our most popular and most profitable fundraiser of the year. We rely on these funds raised to provide valuable resources and free activities to the entire student body, and the PTA is so proud that we can support our children in these important ways.

Stillwater Township PTA's Annual Tricky Tray fundraiser is on Friday, March 24, 2023 at the Stillwater Township School. We would like to request your assistance with helping us continue to enrich our students academic experience by donating. Your donation to our Tricky Tray would be greatly appreciated and would go a long way in achieving the goals listed above.

Nearly 100+ people will attend the Tricky Tray this spring and purchase tickets to win more than 100 prizes. Many prizes are donated from our parents and community members, but ultimately, we need the support of businesses such as yours. In return for a product, gift certificate, service or monetary contributions, you are entitled to:

- A tax deduction to the extent allowed by law (Federal Tax ID below)
- Acknowledgement in our school newsletter, the evening's program, and social media
