

## INSTRUCTIONAL MATERIALS

The School Committee believes that materials appropriate to the needs of the school program must be available to each student and teacher. These will be furnished by the School Committee subject to budgetary constraints.

The task of selecting instructional materials for programs will be delegated to the professional staff of the school district. Because instructional programs and materials are of great importance, only those that meet the following criteria will be approved by the Committee:

2. They must provide materials that stimulate growth in factual knowledge, literary appreciation, aesthetic and ethical values.
3. They must help students develop abilities in critical reading and thinking.
4. They must help develop and foster an appreciation of cultural diversity and development in the United States and throughout the world.
5.
