FOURTH GRADE NEWS

Fourth Grade ELA and Social Studies

The Fourth Graders are already very busy in English Language Arts and Social Studies! We have been enjoying many new books and starting our workshops. This fall will be filled with great new novels, exciting writing lessons, and plenty of new responsibilities, too! The Fourth Grade students are already proving that they are up for any challenge!

5TH GRADE NEWS

5TH grade students are all excited to be back in school to learn and be with their friends! Their enthusiasm for school has shone in their attitudes and work. This year we spent time getting to know one another and the rules and routines of being a 5th grader. Each student created a name plate with nouns, verbs and adjectives that describe themselves. We kicked off the year in Reading with our reading unit, "Getting to Know Ourselves as Readers". In this unit, students are learning how to self-advocate for themselves as readers so they can always get the most of out of their reading, regardless of where they are. In writing, 5th graders are writing personal narratives and learning all the important elements in this type of writing. The students are loving writing about themselves and their adventures. This is going to be a great year for all students to thrive in 5th grade.

6TH GRADE NEWS

6TH Grade is off to a great start! What a special thing it is to be the oldest kids in the school! They've waited a long time to be the big fish in our little pond Stillwater Elementary.

One of the really special things that our 6th graders get to do here at Stillwater School is to hang the flag each morning and lower it each day. the students have been taught proper etiquette while doing this each day and are excited about this special honor they are all a part of. It is going to be a wonderful year!

Parent/Family Volunteers Needed!

The Cafeteria Connections Student Recycling Club is in need of a few more parent volunteers who would be willing to take recyclable bags/plastic from our Trex Plastic Recycling initiative to Newton. While we collect the plastic bags here, they need to be taken to Weis Markets in Newton to be recycled. All that would be required is that 1-2 times per week the plastic bags are picked up at school and brought to the Newton store. They can be loaded into a shopping cart and taken to our contact inside the store. If you are interested in helping, please contact either of the Club Advisors - Elaine Makarevich elaine.makarevich@stillwaterschool.net Janet Mahedy janet.mahedy@stillwaterschool.net
*You can also contact our Parent Volunteer Coordinator, Mandy Coriston via email at irishlefty24@yahoo.com

PHYSICAL EDUCATION & MILEAGE CLUB

This year is off to a great start in phys ed and health classes. In phys ed Friday mileage club has already started and kids are excited to start to earn their tokens for every 5 miles that they complete. They run laps and scan their cards after every lap. We have added a bunch of new tokens this year and students are already working hard to earn them. This past week and next week students have started a cooperative games unit. Students are learning to work together to complete various games and learn the importance of teamwork. We are looking forward to a wonderful year in physical education! Don't forget to wear your sneakers on phys ed days!

BEARS YOUTH RUNNING PROGRAM

The Bears Youth Running Program is back this fall! Bears is a fun-based program to teach children the many positive physical and mental benefits of the sport of running. The Bears Youth Running Program has been in existence for the past 21 years. Fall Bears is open to kids in grade 4 through 8. Practices will be held on Wednesdays from 4:30 PM to 5:30 PM at Lodestar Park beginning on Wednesday September 21, 2022 and will run until the week before Thanksgiving. We will meet at the pavilion. Please send your child with a sports bottle of water or a sports drink. Kids are grouped according to their ability. The cost to part-take in Fall Bears is \$25.00 per child which covers the entire season. Call/text 972-271-6624 or email LaurieGardenRun@aol.com to reserve a spot for your child or with

any questions. Registration forms will be going home in back packs and will also be available in the main office and the first day of practice. ****THIS IS NOT A SCHOOL SPONSORED EVENT****
