PART 1: ADMINISTRATIVE RECORDS

Retention Note: SCOPE OF SECTION - The retention periods established in this section also apply to the records of subsidiary boards, bureaus, commissions, or committees established by the governing body of a local government that have rulemaking or quasi-judicial authority over any activity or program of the government or that were established by ordinance, order, or resolution for the purposes of advising the governing body or a subsidiary body on policy. Consequently, the use of the term “governing body” in a records description includes the corresponding records of those subsidiary bodies.

PART 2: FINANCIAL RECORDS

Retention Notes: AUDIT REQUIREMENTS - Most local governments are required by state law to conduct annual or biennial audits of their records and accounts. These audit requirements were taken into account in setting the retention periods in this schedule. The following retention rules also apply:

1) In any local government for which there is no statutory audit requirement and audits are conducted irregularly or in a local government in which a statutorily required audit is delayed, any record in this schedule whose retention period dates from the end of a fiscal year (FE) must be retained for the retention period stated or one year after audit, whichever later.

2) With regard to any special fund of a local government or elective county office for which there is no statutory audit requirement and the fund is not audited, any records listed under item numbers GR1025-26, GR1025-27, GR1025-28, and GR1025-30 associated with receipts and disbursements from or to the fund must be retained for FE + 10 years.

PART 3: PERSONNEL AND PAYROLL RECORDS

Retention Notes: a) **FEDERAL RETENTION REQUIREMENTS** - Federal retention periods for personnel and payroll records arise principally from the administration of the Civil Rights Act of 1964, Title VII; the Age Discrimination and Employment Act of 1967; the Equal Pay Act; the Fair Labor Standards Act; the Federal Insurance Contribution Act; and the Federal Unemployment Tax Act. Various federal agencies or departments of agencies administer these acts and, because retention periods are set to enable each agency to carry out its particular oversight authority, different retention periods are often established for the same record. In compiling Schedule GR, the longest applicable federal retention period is cited as authority for the retention period indicated. A federal regulation is not cited if a state law or regulation requires a longer retention period. A federal retention period is also not cited if a Texas statute of limitations makes a longer retention period advisable. For example, the federal retention requirement for employment contracts [see item number GR1050-15(a)] is given as 3 years from the last effective date of the contract in 26 CFR 516.5, but suits in Texas may be brought by either party to such a contract within four years of the occurrence of an alleged breach; therefore a retention period of 4 years from the last effective date of the contract is set in this schedule. All retention periods in this part apply, by authority of this schedule, to all local governments, although some of them may be otherwise exempt from the federal requirement cited. This provision does not require the creation by exempted local governments of any special documentation demonstrating compliance with federal regulations that may be required of non-exempted governments.

b) **PERSONNEL FILES** - The individual employee personnel file is not scheduled as a unit in this section; documents normally placed in such files are scheduled separately.

c) **TERMINATED EMPLOYEES** - Notwithstanding any retention periods in this part, all personnel records existing on the date of termination of an involuntarily terminated employee must be retained for 2 years from the date of termination [29 CFR 1602.31, 1602.40, and 1602.49].

d) **JTPA AND CETA EMPLOYEES** - Any records maintained on applicants for or holders of positions paid in whole or in part from Comprehensive Employees' Training Act (CETA) funds or affirmative action apprenticeship program funds administered by the U. S. Department of Labor must be retained for 5 years from the date of enrollment in the program. [29 CFR 30.8(e)]. This 5-year retention period is extended by authority of this schedule to comparable records on applicants for or holders of positions paid in whole or in part from Job Training Partnership Act (JTPA) funds.

e) DEFINITION OF EMPLOYEE - For the purposes of this part, the term “employee” also includes elected or appointed officials of a local government who are paid wages or a salary from any funds of the local government and anyone voluntarily working or not receiving payment or compensation for working.

Section 4-1: Purchasing Records

Retention Notes: RELATIONSHIP WITH ACCOUNTS PAYABLE RECORDS - In a local government in which purchasing and accounts payable records (see item number 1025-26) are maintained by the same individual or department, duplicate copies of a record need not be created and/or retained to satisfy the retention requirements of this section if the record is used in documenting both the ordering and procurement of and payment for goods and services.
