Dear Parents/Guardians:

According to our records, your child has been identified as having a peanut and/or tree nut and/or sesame seed allergy. We have reserved a table in the cafeteria where we do not allow peanuts, tree nuts, or sesame seeds.

You have a choice whether or not to have your child sit at this table. If your child sits at this table, they will be able to invite a friend to join them as long as they have a "safe" lunch.

Please complete the form below and return to school as soon as possible, so that we may plan for your child's lunch period accordingly.

Thank you so much for your prompt response.

Sincerely,

Brianna Penzo, RN
Primrose School Nurse
