WHAT WE ARE WORKING ON IN CLASS

Literacy: We are reading *Love that Dog* to help us learn what makes a poem a poem and what inspires poetry.

PBL: After we review the PBL Pillars (Risk Taking, Collaboration, Academic Discourse, and Learner Agency) we will be moving in to learning about energy.

Math: We just took our first test about factors and multiples. We are going to start our big unit about fractions. They will be able to compare and find equal fractions.

REMINDERS

- ❖ Student's need to be practicing their multiplication facts at home for 5-10 minutes a night. These cards can be bought at the dollar store or Walmart.

THANK YOU FOR YOUR SUPPORT!

We will set high expectations for all fourth grade students so they will be successful in the year. We would all like to keep the lines of communication open. If you need or want to contact your child's teacher. We will try to do the same.
