

Camp Timberwolf

July 11-14

8:00-3:00

On the Campus of MCHS and MCEC

Average of 35 students each day

Camp Timberwolf

- Montgomery County Schools offered a four-day summer “STEAM” (Science, Technology, Engineering, Arts, Mathematics) camp for rising 9th graders.
- MCS showcased the CTE Center, Montgomery Central High School, and Montgomery County Early College.
- Camp Timberwolf was an opportunity for students to begin developing friendships and leadership skills to help form a culture of success and collaboration.
- Camp Timberwolf highlighted all the exciting educational opportunities available for students. Ideas from 2019 were used and additional programs were added to meet the needs of students and staff.

Why Camp Timberwolf?

- Completely free
  - Transportation
  - Meals
  - Resources and Supplies
- Project based
  - “STEAM” focused learning opportunities
  - Aligned with courses that will be offered at MCHS, MCC and the Career Center
- Future focused
