SUBJ: DISCUSSION/ACTION ITEM (Calendar Review)

As you may have noticed in the news, many districts are revising calendars to give students and staff additional days off during the month of November. The return to school has been difficult for everyone and I do think a look at the calendar to add some days to refresh should be reviewed. Here are some possibilities aligned to what we have seen other districts due. No matter what we do, we will surpass the required hours of instruction required by the state and meet the minimum number of days for teachers pursuant to their contracts.

1. Trade November 12, 2021 with February 14, 2022 in the calendar. November 12 becomes a no day for all staff and February 14 becomes an optional work day.

   Several districts have made a similar change since we are out of school on Thursday, November 11 anyway. With such a change, students and staff get a long weekend and do not have to return for a Friday of classes following the holiday.

2. Make November 22-23, 2021 optional workdays and take the entire week for Thanksgiving.

   Some are looking at this because some families take that week to travel for Thanksgiving anyway. Regardless of anything we may consider, students would still have classes at MCC as scheduled.

I am available to answer any questions you might have.
