SUBJ: ACTION ITEM (Summer School dates and Retesting)

The proposed calendar for summer school is as follows:

Instructional Days
June 13 – June 17 (5 days)
June 21 – June 24 (5 days)
June 27 – June 28 (2 days)

Retesting Days
June 29 – June 30 (2 days)

The proposed daily schedule will run from 8:00 am until 2:30 pm. This will allow for 6 hours of instructional time and 30 minutes of non-instructional time for lunch. This will meet the requirement of Read to Achieve and other legislated requirements for summer programming.

All content areas available for retesting this year will retest to improve proficiency rates. All retest data will not be utilized for growth models. Growth will only be impacted by the first test administration.

I am available for any questions you might have.
