Montgomery County Early College

SCHOOL SEAL

MCEC School Seal Design

MCEC students were encouraged to assist with a draft for the school seal.

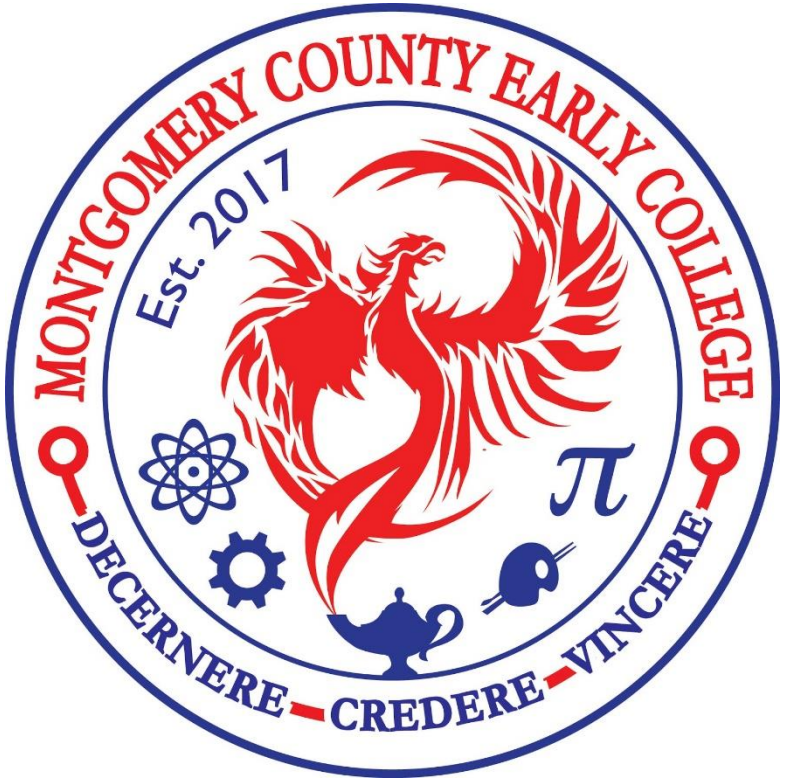

Alexi Nyguen and Li Li Dong submitted ideas and Mr. Beaman (MCS art teacher) helped bring it to life.

Each seal design includes our school motto (Decide Commit Succeed in Latin), a phoenix rising from the lamp of learning, representation of STEAM core values, and our year of establishment.

Option A

Option B

Winner: Option A – 221 Students Voted
