Culturally Responsive Teaching And Environments

East Montgomery High School

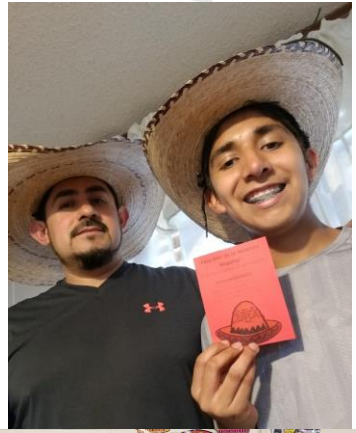

Why Is This An Important Concept?

- Allows students to take ownership in education
- Encourages students to construct their own identities and roles within the community
- Empowers students to engage in activities that demonstrate their un qualities
- Acknowledges and values memberships in different groups

Student Response To Teaching Style

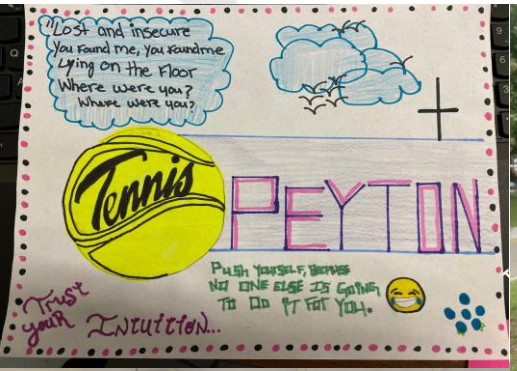

- Creates positive learning environments
- Increases test scores
- Communicates high expectations
- Narrows the academic achievement gap

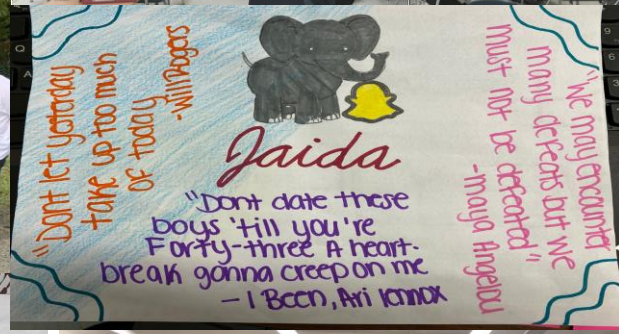

Who Are Our Students?

Exploring the Future

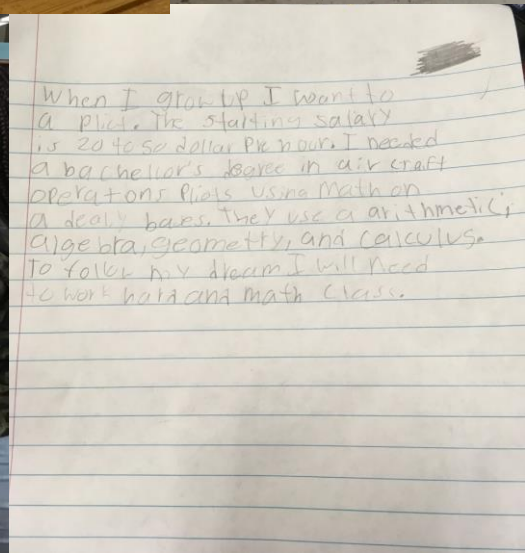

When I grow up I want to
a Pilot. The starting salary
is 20 to 30 dollar Per hour. I needed
a bachelor's degree in air craft
operations Pilots using math on
a daily bases. They use a arithmetic,
algebra, geometry, and calculus.
To follow my dream I will need
to work hard and math class.
